

Purchasing Solutions Alliance

a purchasing cooperative for public agencies

November 24, 2014

Telva D. Kesler
TK Sales
PO Box 1272
Bryan, Texas 77806

Dear Ms. Kesler,

Purchasing Solutions Alliance (PSA), a cooperative purchasing program of the Brazos Valley Council of Governments (BVCOG) is pleased to announce that TK Sales has been awarded the contract for the following products and services, based on your proposal submitted to PSA in response to Request for Proposals (RFP) No. 14-101.

- Products and Services Description: Custodial Supplies, Equipment, Related Products, Services and Solutions

Notice is hereby given that TK Sales may commence with the publicity and marketing of the contract and sales of products and services effective December 10, 2014 under terms of our contract.

It is with great pleasure that we welcome you as a supplier to PSA/BVCOG and member agencies of PSA. We look forward to the relationship between TK Sales and PSA.

If you have any questions or concerns, please feel free to contact me at (979) 595-2801 x2035, or by email mlucas@bvcog.org.

Sincerely,

Purchasing Solutions Alliance:
a program of the Brazos Valley Council of Governments

Contract No. 14-101
“Custodial Supplies, Equipment, Related Products, Services and Solutions”

A CONTRACT BETWEEN PURCHASING SOLUTIONS ALLIANCE, Bryan, Texas AND TK Sales, Bryan, Texas.

This Contract is made and entered into by PURCHASING SOLUTIONS ALLIANCE, hereinafter referred to as PSA, having its principal place of business at 3991 East 29th St., Bryan, Texas 77802, AND TK Sales, hereinafter referred to as the CONTRACTOR, having its principal place of business at 180 Marino Road, Bryan, Texas 77806.

ARTICLE 1: SCOPE OF SERVICES

The parties have entered into this Contract to become effective as of December 10, 2014 (the “Effective Date”), and to continue through December 9, 2016 (the “Contract”), subject to three (3) one-year extensions upon mutual agreement of the CONTRACTOR and PSA. PSA enters into the Contract as Agent for participating governmental agencies that are members of PSA, each hereinafter referred to as END USER, for the purchase of Custodial Supplies, Equipment, Related Products, Services and Solutions offered by the CONTRACTOR. The CONTRACTOR agrees to sell Custodial Supplies, Equipment, Related Products, Services and Solutions through the PSA Contract to END USERS.

ARTICLE 2: THE COMPLETE AGREEMENT

The Contract shall consist of the documents identified below in order of precedence: 1. The text of this Contract form, 2. Attachment A - RFP No. 14-101, including any relevant addenda, and 3. Attachment B - CONTRACTOR’s Response to RFP No. 14-101, including but not limited to, prices and options offered and finally negotiated and attached. All of which are either attached hereto or incorporated by reference and hereby made a part of this Contract, and shall constitute the complete agreement between the parties hereto. This Contract supersedes any and all oral or written agreements between the parties relating to matters herein. Except as otherwise provided herein, this Contract cannot be modified without the written consent of both parties.

ARTICLE 3: LEGAL AUTHORITY

CONTRACTOR and PSA warrant and represent to each other that they have adequate legal counsel and authority to enter into this Contract. The governing bodies, where applicable, have authorized the signatory officials to enter into this Contract and bind the parties to the terms of this Contract and any subsequent amendments thereto.

ARTICLE 4: APPLICABLE LAWS

The parties agree to conduct all activities under this Contract in accordance with all applicable rules, regulations, directives, issuances, ordinances, and laws in effect or promulgated during the term of this Contract.

ARTICLE 5: INDEPENDENT CONTRACTOR

The execution of this Contract and the rendering of services prescribed by this Contract do not change the independent status of PSA or CONTRACTOR. No provision of this Contract or act of PSA in performance of this Contract shall be construed as making CONTRACTOR the agent, servant or employee of PSA, the State of Texas or the United States Government. Employees of CONTRACTOR are subject to the exclusive control and supervision of CONTRACTOR. CONTRACTOR is solely responsible for employee payrolls and claims arising there from.

ARTICLE 6: SUBCONTRACTS & ASSIGNMENTS

CONTRACTOR agrees not to subcontract, assign, transfer, convey, sublet or otherwise dispose of this Contract or any right, title, obligation or interest it may have therein to any third party without prior written notice to PSA. PSA reserves the right to accept or reject any such change. CONTRACTOR shall continue to remain responsible for all performance under this Contract regardless of any subcontract or

assignment. PSA shall be liable solely to CONTRACTOR and not to any of its Subcontractors or Assignees.

ARTICLE 7: EXAMINATION AND RETENTION OF CONTRACTOR'S RECORDS

CONTRACTOR shall maintain during the course of its work, complete and accurate records of items that are chargeable to END USER under this Contract. PSA, through its staff or its designated public accounting firm, the State of Texas, or the United States Government shall have the right at any reasonable time to inspect copy and audit those records on or off the premises of CONTRACTOR. Failure to provide access to records may be cause for termination of this Contract. CONTRACTOR shall maintain all records pertinent to this Contract for a period of not less than five (5) calendar years from the date of acceptance of the final contract closeout and until any outstanding litigation, audit or claim has been resolved. The right of access to records is not limited to the required retention period, but shall last as long as the records are retained. CONTRACTOR further agrees to include in all subcontracts under this Contract, a provision to the effect that the subcontractor agrees that PSA's duly authorized representatives, shall, until the expiration of five (5) calendar years after final payment under the subcontract or until all audit findings have been resolved, have access to, and the right to examine and copy any directly pertinent books, documents, papers, invoices and records of such subcontractor involving any transaction relating to the subcontract.

ARTICLE 8: REPORTING REQUIREMENTS

CONTRACTOR agrees to submit reports or other documentation in accordance with the RFP requirements. If CONTRACTOR fails to submit to PSA in a timely and satisfactory manner any such report or documentation, or otherwise fails to satisfactorily render performance hereunder, such failure may be considered cause for termination of this Contract.

ARTICLE 9: SEVERABILITY

All parties agree that should any provision of this Contract be determined to be invalid or unenforceable, such determination shall not affect any other term of this Contract, which shall continue in full force and effect.

ARTICLE 10: DISPUTES

Any and all disputes concerning questions of fact or of law arising under this Contract, which are not disposed of by agreement, shall be decided by the Executive Director of the Brazos Valley Council of Governments (BVCOG) or his designee, who shall reduce his decision to writing and provide notice thereof to CONTRACTOR. The decision of the Executive Director or his designee shall be final and conclusive unless, within thirty (30) days from the date of receipt of such notice, CONTRACTOR requests a rehearing from the Executive Director of BVCOG. In connection with any rehearing under this Article, CONTRACTOR shall be afforded an opportunity to be heard and offer evidence in support of its position. The decision of the Executive Director after any such rehearing shall be final and conclusive. CONTRACTOR may, if it elects to do so, appeal the final and conclusive decision of the Executive Director to a court of competent jurisdiction. Pending final decision of a dispute hereunder, CONTRACTOR shall proceed diligently with the performance of this Contract and in accordance with BVCOG's final decision.

ARTICLE 11: LIMITATION OF CONTRACTOR'S LIABILITY

Except as specified in any separate writing between the CONTRACTOR and an END USER, CONTRACTOR's total liability under this Contract, whether for breach of contract, warranty, negligence, strict liability, in tort or otherwise, but excluding its obligation to indemnify PSA described in Article 12, is limited to the price of the particular products/services sold hereunder, and CONTRACTOR agrees either to refund the purchase price or to repair or replace product(s) that are not warranted. In no event will CONTRACTOR be liable for any loss of use, loss of time, inconvenience, commercial loss, lost profits or savings or other incidental, special or consequential damages to the full extent such use may be disclaimed by law. CONTRACTOR understands and agrees that it shall be liable to repay and shall

repay upon demand to END USER any amounts determined by PSA, its independent auditors, or any agency of State or Federal government to have been paid in violation of the terms of this Contract.

ARTICLE 12: LIMIT OF PSA'S LIABILITY AND INDEMNIFICATION OF PSA

PSA's liability under this Contract, whether for breach of contract, warranty, negligence, strict liability, in tort or otherwise, is limited to its administrative fee. In no event will PSA be liable for any loss of use, loss of time, inconvenience, commercial loss, lost profits or savings or other incidental, special or consequential damages to the full extent such use may be disclaimed by law. Contractor agrees, to the extent permitted by law, to defend and hold harmless BVCOG, PSA, its board members, officers, agents, officials, employees, [and indemnities] from any and all claims, costs, expenses (including reasonable attorney fees), actions, causes of action, judgments, and liens arising as a result of CONTRACTOR's negligence, fraud, criminal acts, omissions, willful misconduct or third party intellectual property infringement of the indemnified party under this Contract. CONTRACTOR shall notify PSA of the threat of lawsuit or of any actual suit filed against CONTRACTOR relating to this Contract.

ARTICLE 13: TERMINATION FOR CAUSE

PSA may terminate this Contract for cause based upon the failure of CONTRACTOR to comply with the terms and/or conditions of the Contract; provided that PSA shall give CONTRACTOR written notice specifying CONTRACTOR'S failure. If within thirty (30) days after receipt of such notice, CONTRACTOR shall not have either corrected such failure, or thereafter proceeded diligently to complete such correction, then PSA may, at its option, place CONTRACTOR in default and the Contract shall terminate on the date specified in such notice. CONTRACTOR shall pay to PSA any administrative fees due from CONTRACTOR on that portion of the Contract actually performed by CONTRACTOR and for which compensation was received by CONTRACTOR.

ARTICLE 14: TERMINATION FOR CONVENIENCE

Either PSA or CONTRACTOR may cancel or terminate this Contract at any time by giving thirty (30) days written notice to the other. CONTRACTOR may be entitled to payment from END USER for services actually performed; to the extent said services are satisfactory to END USER. CONTRACTOR shall pay to PSA any administrative fees due from CONTRACTOR on that portion of the Contract actually performed by CONTRACTOR.

ARTICLE 15: CIVIL AND CRIMINAL PROVISIONS AND SANCTIONS

CONTRACTOR agrees that it will perform under this Contract in conformance with safeguards against fraud and abuse as set forth by PSA, the State of Texas, Federal regulations and the acts and regulations of any funding entity. CONTRACTOR agrees to notify PSA of any suspected fraud, abuse or other criminal activity related to this Contract through filing of a written report promptly after it becomes aware of such activity.

ARTICLE 16: GOVERNING LAW & VENUE

PSA and the CONTRACTOR agree that the contract awarded from this Request for Proposal shall be governed by the laws of the State of Texas. The parties agree that performance and all matters related thereto shall be in a state court of competent jurisdiction in Brazos County, Texas and further that neither party will seek to remove such litigation to the federal court system by application of conflict of laws or any other removal process to any Federal Court or court not in Texas. Disputes between END USER and CONTRACTOR are to be resolved in accordance with the law and venue rules of the state of purchase. CONTRACTOR shall immediately notify PSA of such disputes.

ARTICLE 17: PAYMENT OF PSA FEE

CONTRACTOR agrees to sell its products to END USERS based on the pricing and other terms of this Contract, including, but not limited to, the payment of the PSA Administrative Fee. The Administrative Fee on all Contractor sales made pursuant to the PSA contract is to be calculated by multiplying the total billed amount by 2%. Contractor will remit the total Administrative Fee due with the monthly report as required and stipulated in Attachment A – RFP No. 14-101. Any PSA fee collected by CONTRACTOR

from END USERS, including END USERS without Interlocal Contracts, shall be paid to PSA by CONTRACTOR. CONTRACTOR agrees to encourage END USERS to execute authorizing Interlocal Contracts with PSA. PSA reserves the right to take appropriate actions including, but not limited to, contract termination if CONTRACTOR fails to promptly remit PSA's fee. In no event shall PSA have any liability to CONTRACTOR for any goods or services an END USER procures from CONTRACTOR.

ARTICLE 18: CHANGE OF CONTRACTOR STATUS

CONTRACTOR shall immediately notify PSA, in writing, of ANY change in ownership, control, dealership/franchisee status, or name, and shall also advise whether or not this Contract shall be affected in any way by such change. Notwithstanding the foregoing, this Contract may be assigned by either PSA or CONTRACTOR to another entity in connection with a reorganization, merger, consolidation, acquisition, and/or other restructuring involving all or substantially all of the voting securities and/or assets of the assigning party. PSA shall have the right to determine whether or not such change is acceptable, and to determine what action shall be warranted, up to and including cancellation of Contract.

ARTICLE 19: VOLUME PRICING

The CONTRACTOR reserves the right to provide and negotiate volume discounts that are less than the prices shown in Attachment B - CONTRACTOR's Response to RFP No. 14-101 to END USERS. In no case shall prices exceed those listed in Attachment B.

INTRODUCTION

BACKGROUND

PSA is a "Government-to-Government" procurement service for Local Governments, Districts, Political Subdivisions, Authorities, and qualifying Not-for-Profit Corporations (End Users). End Users become Members of Purchasing Solutions Alliance by executing an Interlocal Purchasing Agreement, which is free of cost and imposes no minimum spending requirements.

PSA, acting on behalf of Members, is soliciting competitive offerings for the furnishing of products and/or services, as described elsewhere, which MAY be purchased any of our member local governments, districts, and other public agencies across the nation during the contract term. Members using the Program issue purchase orders directly to PSA contractors.

Visit www.psabuy.org and click on the Membership tab in the main menu to view and/or download a list of PSA member agencies that have currently entered into Cooperative Interlocal Purchasing Agreements with PSA, eligible to participate in any subsequent contract.

GENERAL PROPOSAL INFORMATION

Purchasing Solutions Alliance (PSA), a cooperative purchasing program of the **Brazos Valley Council of Governments (BVCOG)** is soliciting proposals from experienced and qualified vendors to provide custodial supplies, equipment, related products, services and solutions to PSA/BVCOG, its Members and/or prospective Members. See "Intent and Scope of Services" section on page 29 for more information of products and services solicited under the scope of this RFP.

PSA is conducting this procurement with the objective of establishing a contract for use by our Members. Because our Members are located not only in Texas, but throughout the country, we strongly urge you to participate in the process at the corporate level. If you do not sell direct, your dealer network may still service customers while you handle the administrative functions of providing quotes, accepting purchase orders, and collecting payments. If this is not feasible, we will work with you to subsequently assign your contract to your dealers as necessary to service customers.

Whatever approach you choose to take, there is considerable potential sales value in being awarded a competitively bid public sector cooperative contract. PSA contractors have the advantage of promoting sales to governmental entities and the ability to sell services without the need for the buyer to duplicate the competitive bidding process and expend the associated staff time and taxpayer dollars. We believe a PSA contract would enhance your competitive position in the government marketplace, and are eager to work with you to promote the best interests of our participating local governments and qualifying non-profit organizations.

POINT OF CONTACT (POC)

The sole POC for purposes of this RFP prior to the award of any contract is:

Michael Lucas, Program Manager
Purchasing Solutions Alliance
3991 East 29th St.
Bryan, Texas 77802
(979) 595-2801, Ext. 2035

Tentative schedule for this RFP is as follows:

Release Formal RFP to Vendors.....	September 30, 2014
Deadline for Questions.....	October 14, 2014 @ 5:00 p.m.
Posting of any/all Remaining Addendum & Question Responses.....	October 16, 2014
Proposal Submission Deadline & Opening Date.....	October 30, 2014 @ 2:00 p.m.
Proposals Review/Preliminary Scoring.....	November 2014
Negotiations, Best & Final Offers.....	November 2014
Anticipated Award of Contract.....	November-December 2014
Implementation.....	December 2014

PSA reserves the right to change the dates in the schedule of events above.

PROPOSALS DUE (CLOSING) DATE

Offerors may submit proposals in response to this RFP in one of two methods:

1. Offerors may upload one (1) final and complete electronic proposal on the on-line bidding system that PSA utilizes for its solicitations at <http://www.bidsync.com>. There is NO COST to the Offeror in submitting their proposal in response to this RFP via the on-line electronic bidding system. If an Offeror is not currently registered with BidSync as a potential PSA bidder/vendor, visit PSA's website at the following: <http://www.bvcog.org/programs/purchasing-solutions-alliance/vendor-info/> to register for this RFP, as well as future bid or proposal solicitations of PSA and/or BVCOG.
2. Offerors may choose to respond in writing (paper response); one (1) original, three (3) copies and one (1) electronic version (CD-ROM or Flash Drive) of the proposal must be returned in a SEALED package or box to the POC and address identified above, on the previous page.

*All Proposals for **RFP # 14-101** will be accepted until **2:00 p.m. C.S.T., Thursday, October 30, 2014.**

See section "REQUIREMENTS FOR SUBMISSION OF A RESPONSE" on page 23 for more details and instructions regarding proposal submission.

CLARIFICATION TO SPECIFICATIONS & REQUIREMENTS

- a. If Offeror is in doubt as to the meaning of any item in this RFP, a written request for clarification may be submitted to PSA. All questions shall be addressed to PSA in writing and submitted through PSA's electronic bidding system service provider (BidSync) prior to 5:00 p.m. CST on Tuesday, October 14, 2014. PSA shall not be responsible for late delivery. Contact with any other BVCOG or PSA employee or official is prohibited without prior written consent from the PSA Program Manager. Failure to observe this requirement may be grounds for rejection of the proposal.
- b. Requests shall be transmitted through the procedure identified above, and should clearly reference this RFP number and the specific page and paragraph in question. If there are multiple questions, they should be stated separately and numbered.
- c. Any interpretation of RFP documents, if made, will be by written Addendum duly issued by PSA. A copy of such Addendum will be posted through PSA's electronic bidding system service provider (BidSync) and notification will be sent electronically to those prospective Offerors of record. PSA will not be responsible for any other explanation or interpretation of the RFP documents made or given prior to the award of the contract.
- d. Prospective Offerors are advised that, after the RFP has been issued, electronic submission through PSA's electronic bidding system service provider (BidSync) is the preferred primary forum through which comments and suggestions may be offered for consideration by PSA/BVCOG prior to continuation of the RFP process.

- e. All best efforts have been made to insure that the product/service descriptions and associated specification information are correct, and adequate time has been given to prospective Offerors to point out mistakes. However, if an error remains and is caught by Offeror before the scheduled bid/proposal opening, Offeror shall make note of the required correction in the Response, and shall also notify PSA prior to the opening of responses.

NOTIFICATION

PSA uses multiple channels for the notification and dissemination of all RFP's. Approved methods of dissemination include www.bidsync.com, the Electronic State Business Daily (ESBD) website, the PSA website www.psabuy.org or the PSA office. The receipt of solicitations through any other means may result in the receipt of incomplete specifications or addenda which could ultimately render your proposal non-compliant. PSA accepts no responsibility for the receipt or notifications of solicitations through any other source.

Specifications, Scope of Services and Information for Offerors and may be examined at the Purchasing Solutions Alliance Office at 3991 East 29th St., Bryan, Texas 77802 or Offerors can access, view and/or download the RFP documents from www.psabuy.org.

REVISIONS TO THE RFP

In the event of a needed change in the published RFP documents, Offerors should understand that all the foregoing terms and conditions and all performance requirements will apply to any published addendum. Offerors are responsible for obtaining all published addenda from PSA's on-line bidding system provider (BidSync), which can also be accessed from the "Active Solicitations" page of PSA's website, or from the PSA/BVCOG purchasing office.

Acknowledgment of the receipt of all addenda to this RFP issued before the proposal due date must accompany the Offeror's proposal. Failure to acknowledge receipt of amendments does not relieve the Offeror from complying with all terms of any such amendment.

EXCEPTIONS TO THE RFP

Vendors may take exception to any section of the RFP. Exceptions should be clearly stated in the vendor's response to the RFP and will be considered in the evaluation process.

DEFINITIONS, ABBREVIATIONS & ACRONYMS

The following definitions, abbreviations and acronyms may be found in these specifications, and shall be interpreted herein as specified below.

Bidder - Any entity that submits a competitive proposal to this RFP. (See "**Offeror**")

BidSync - provides cloud-based, end-to-end procurement and bid notification solutions for the public sector. More than 1,000 government agencies nationwide employ BidSync's e-procurement solutions. BidSync enables its database of more than 800,000 suppliers and vendors to identify, respond to, and potentially win more bid opportunities.

NOTE: PSA uses an electronic bidding system offered by BidSync to notify and distribute solicitations (RFP's/RFB's/RFPQ's/RFI's, etc.) to potential bidders/vendors and receive solicitation proposals by electronic format for various products and services, such as those requested in this RFP.

All vendors that would like to receive bid or proposal opportunities from PSA are highly encouraged to register with BidSync, which is provided at NO COST to the vendor. Remember, as a registered user the vendor will also have access to respond to bids electronically. In addition, by registering with BidSync the vendor will have access to bidding opportunities from other public sector agencies, if they choose.

Brazos Valley Council of Governments (BVCOG) - A political subdivision of the State of Texas that serves as a vehicle for local governments to cooperatively identify needs, develop responses, implement solutions, eliminate duplication and promote the efficient and accountable use of public resources, and to improve the quality of life. (See “**Purchasing Solutions Alliance**”)

Change Order - Request by **PSA** or an **End User** for a change in the composition of an already submitted purchase order, for example to change terms and conditions, quantity ordered, add or delete items, etc.

Contract - Specifically, a contract between **PSA** and a successful **Offeror** which is executed based on an award made pursuant this RFP.

Contractor - The contracted business entity responsible for fulfilling a contract executed pursuant to this RFP. (Also named as the “Company”)

Dealer/Distributor - A duly authorized and/or franchised business entity which sells and services a manufacturer’s product in a specified marketing area.

End User - (See “**Participant**” and “**Member**”)

FOB Destination - Free on Board (FOB); the vendor pays freight charges to the destination; title to goods passes to buyer at his/her receiving dock; freight claims must be filed and handled by the seller.

Member - Authorized Participant in the **PSA** Purchasing Program. (See “**Participant**” and “**End User**”)

Offeror - Any entity that submits a competitive bid or proposal in response to this RFP. (Same as “**Bidder**” or “**Proposer**” or “**Company**” or “**Vendor**” or “**Firm**”)

Participant - Generally, any qualifying governmental or non-profit entity which has executed an Interlocal Agreement for cooperative purchasing services with **PSA**. Eligible participants include municipalities, counties, school districts, state agencies, non-profits performing a governmental function, special districts, political subdivisions and universities/colleges of the State of Texas or any other state.

Proposer - Any entity that submits a competitive proposal in response to this RFP. (See “**Offeror**”)

Purchaser - The **End User** or “**Customer**” having responsibility for the specification, requisition, ordering and acceptance of the Product or Service. (See “**End User**”)

Purchasing Authority - The agency that has sole responsibility and authority for negotiating, placing and, if necessary, modifying any solicitation, purchase order, or other award issued by a governing body.

Purchasing Solutions Alliance (PSA) - A cooperative purchasing program for public agencies established by the Brazos Valley Council of Governments (BVCOG) under the Interlocal Cooperation Act of the State of Texas.

Response - All or part of any offering submitted in response to this RFP.

Request for Proposals (RFP) - This formal written document requests from vendors and/or service providers a proposal for various goods and services, certain professional services, insurance and high technology items and includes a request for proposed prices and fees. Unlike an invitation for bids, the proposals received in response to a RFP can and will be negotiated with the top ranked firm.

Vendor - A manufacturer's representative or dealer authorized to make sales and supply parts and service. Vendor is a generic term applied to individuals and companies alike that provide goods and services.

TERMS AND CONDITIONS

OFFERED PRODUCT ITEM VARIANCES

Any variance in the specifications or performance of Products offered shall be acceptable to PSA and the End User only insofar as it MEETS or EXCEEDS the specifications and requirements of this RFP.

SPECIFIC DESCRIPTIVE REFERENCES

PSA is committed to obtaining its goods, products and services at the lowest price possible which benefits all member agencies. Therefore, in order to accomplish this objective/goal, it is not the intention of PSA neither to exclude particular vendors or manufacturers nor to create restrictive situations in this RFP.

Any vendor's/manufacture's names, trade names, brand names, price list numbers, technical data, etc. used in the specifications are there for the sole purpose of establishing and describing general performance, quality levels, type and dimensions and such references are not intended to be restrictive.

Alternate bids on similar or comparable products and/or services of any manufacturer or vendor equal or equivalent to the products and/or services described in the specifications are invited and will be given careful consideration provided the alternate will accomplish the same task. PSA shall be the sole judge on whether the alternate product and/or service is similar to, equal to or equivalent to and in compliance with that specified. The decision of PSA shall be final.

INSPECTION / TESTING

All Products sold pursuant to this RFP shall be subject to inspection/testing by or at the direction of PSA and/or the ordering End User, at the delivery destination. In the event a Product fails to meet or exceed all requirements of this RFP, and unless otherwise agreed in advance, the cost of any inspection and/or testing shall be borne by the Contractor.

REQUIREMENTS APPLICABLE TO PHYSICAL GOODS

In the case of physical goods (e.g. equipment, material, supplies, as opposed to services), all Products offered must:

- a. Be new, unused, and not refurbished.
- b. Not be a prototype insofar as the general design, operation and performance. This requirement is NOT meant to preclude Offeror from offering new models or configurations which incorporate improvements in a current design or add functionality, but which in such new model or configuration may be new to the marketplace.
- c. Include any and all accessories which may or may not be specifically mentioned herein, but which are normally furnished or which are necessary to make a delivered Product ready for its intended use. Such accessories shall be assembled, installed and adjusted such that the Product is ready for continuous operation at time of delivery.
- d. Have assemblies, sub-assemblies and component parts that are standard and interchangeable throughout the entire quantity of a particular Product as may be purchased simultaneously by any individual End User.
- e. Be designed and constructed using current industry accepted engineering and safety practices, and materials.
- f. Be available for inspection at any time prior to or after procurement.

MANUALS

If applicable and unless otherwise specified or superceded herein, each Product delivered under a PSA contract, and if applicable, any options thereto, shall be supplied with at least one (1) copy of a safety and operating manual. The cost of any such manuals must be included in the base price for any Product Item offered hereunder.

WARRANTIES, SALES & SERVICE

Unless otherwise addressed, the following requirements shall apply:

- a. Offeror must be the manufacturer or properly franchised dealer authorized to sell and service, including warranty service, all products offered and sold in response to the RFP or under any PSA contract.
- b. Warranties shall be manufacturer's standard, but in no event for a period of less than one year, and shall be inclusive of any other warranty requirements which may be stipulated elsewhere herein.
- c. Any warranties offered by a dealer shall be in addition to the manufacturer's warranty, and shall not be a substitute. Offeror's base price for any Product shall be inclusive of the warranty.
- d. Complete warranty information will be included in the response to this RFP and supplied to End User upon request.
- e. Offeror is encouraged to offer improved warranties and/or extended warranties as an option.
- f. Warranties submitted with the Response, so long as they meet the minimum requirements set forth herein, shall be in lieu of all other warranties expressed or implied, all other representations to PSA and/or the End User Agency, and all other obligations or liabilities including liability for incidental or consequential damage on the part of Offeror. Neither PSA nor End User assume any warranty or liability on Offeror's behalf unless made or assumed in writing, initiated by Offeror, and agreed to in writing by PSA or the End User respectively.
- g. Contractor shall be responsible for the execution and effectiveness of all product warranty, and shall be the sole source for solution to problems arising from warranty claims. Contractor agrees to respond directly to correct warranty claims and to ensure reconciliation of warranty claims that have been assigned to a third party.

PRODUCT DELIVERY

Unless otherwise addressed, the following requirements shall apply:

- a. "F.O.B. to customer's destination, freight prepaid". Responsibility and liability for loss and/or damage pass to End User at the delivery destination after receipt and acceptance have taken place.
- b. The estimated delivery time after receipt of order (ARO), inclusive of Saturdays, Sundays and holidays, for all Products offered must be generally stated in the Response. Actual delivery for any particular order must be confirmed with End User at time of order placement.
- c. Contractor shall advise End User prior to making any shipment/delivery, and shall make such shipment/delivery in accordance with End User's requirements, providing only that such arrangements do not contravene any requirement of the PSA contract unless agreed to by Contractor.

NON-BINDING ORAL COMMENTS

No oral comment, utterance or response made by any employee, member, or agent of PSA or any Member of the cooperative purchasing program shall be considered factual or binding with regard to this RFP, or any contract awarded as a result of this RFP. Valid and binding terms, conditions, provisions, changes or clarifications, or requests thereof, shall ONLY be communicated in written form.

ORDER OF PRECEDENCE & AWARD OF CONTRACT

In the event of conflict between this document and any references or documents cited herein, this document shall take precedence prior to contract award.

With authority granted by the BVCOG Board of Directors, a written contract shall be presented to the successful Offeror, and shall be subject to acceptance by the successful Offeror within ten (10) calendar days after presentation by PSA. If a contract is not executed within ten (10) calendar days, PSA may rescind the contract offer and award a contract to the next Offeror in order of rank as determined by PSA.

This Invitation includes a sample Contract listed as Exhibit A. The actual final contract will be the same or nearly the same as the sample contract. The successful Offeror will be expected to sign such a contract with PSA. Substantial and/or material changes to the sample Contract will not be considered. Minor exceptions must be specifically requested in the Offeror's formal proposal to PSA. PSA reserves the right to rescind the contract offer and award a contract to the next Offeror in order of rank as determined by PSA in cases whereby the Offeror's request for exceptions are not in the best interest of PSA and its members.

NOTE: Successful Offerors MAY NOT process any purchase orders until the contract documents have been executed and returned to PSA.

The contract shall consist of the documents identified herein and in order of precedence: **1.** The text of Exhibit A - Sample Contract form as amended through contract negotiations prior to award, **2.** This RFP including all terms and conditions, any relevant addenda, and **3.** CONTRACTOR's Response to the RFP, including but not limited to, prices and options offered and finally negotiated/amended and attached.

CONTRACT TERM

This contract shall become effective from date of acceptance and approval by the BVCOG Board of Directors or designee. It shall remain in full force and effect for a period of two (2) years. The contract shall be in effect throughout this period and thereafter until such time as any outstanding orders against the contract have been fulfilled.

The contract may be extended if deemed by PSA to be in the best interests of the Program, and subject to mutual agreement of the parties. PSA shall have the option of extending this contract, subject to review of the service provided by the Contractor, for three (3) additional one (1) year terms to be extended one (1) year at a time. This action does not require specific BOD approval. Contracts are extended upon mutual agreement of both Vendor and PSA. In the event a new contract cannot be executed at the anniversary date of the original term or any renewal term, the contract may be renewed month-to-month until a new contract is executed.

Non-appropriations of fiscal funding will also be applicable to the terms of any contract resulting from the solicitation and any purchase order issued for multiple years under the contract are contingent upon sufficient appropriations being made by the legislature or other appropriate government, state or public entity. Each participating member agency reserves the right to rescind its obligations under the contract, purchase order or other contract document, if it is determined that there are insufficient funds or funding is not made available by the legislature or other appropriate government, state or public entity.

CHANGE ORDERS

End Users shall have the right to make additions by addenda for the purpose of clarification or inclusion of additional specifications, qualifications, conditions, etc. Any such addenda shall be made in writing and agreed upon by Contractor and the End User agency prior to issuance of any Change Order. A copy of any such Change Order shall be furnished by Contractor to PSA.

DUPLICATION OF TERMS OR STATEMENTS

Where statements or terms are duplicated or are extremely similar, PSA and the End User reserve the right to use the statement or term most favorable to PSA and/or the End User.

TAXES, LICENSES & PERMITS

PSA and End User participants are either units of government or qualified non-profit agencies, and are generally exempt from Federal and State sales, excise or use taxes. Offeror shall not include any such taxes in the Response. It shall be the responsibility of Contractor to determine the applicability of any taxes to a particular order and act accordingly. Exemption certificates will be provided upon request. The Contract shall also be responsible for obtaining all permits, licenses and bonding, to comply with the rules and regulations of any state, federal, municipal or county laws or any city government, bureau or department applicable.

DRUG FREE WORKPLACE

The Contractor shall provide notice to its employees and sub-contractors, as required under the Drug-Free Workplace Act of 1988. A copy of Contractor's Drug-Free Workplace policy shall, on request, be furnished to any End User.

ANTI-DISCRIMINATION

The Contractor shall certify that they will conform to the provisions of the Civil Rights Act of 1964, as amended, as well as the Americans with Disabilities Act of 1990 (ADA), as amended and where applicable.

The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, age, disability, or any other basis prohibited by state or federal law relating to discrimination in employment. The Contractor, in all solicitations and/or advertisements for employees placed by or on behalf of the Contractor, shall state that such Contractor is an equal opportunity employer. The Contractor should not discriminate against a qualified job applicant or employee because of a disability and ensuring that all existing and new facilities provide easy access for people with disabilities.

PRODUCT NOTICES & MAILINGS

PSA is NOT the owner of Products sold pursuant to this RFP, but acts only in the capacity of purchasing agent. In that regard, Contractor accepts sole responsibility for insuring that notices and mailings, such as Safety Alerts, Safety Recall Notices and Customer Surveys, are sent directly to the End User of record.

HANDLING OF ORDERS & PAYMENTS

In general, orders and payments will be handled as described below. More specific instructions and information regarding handling of purchase orders and the Administration Fee or Rebate may be provided after contract award. Established procedures may be changed at any time by PSA as may be dictated by efficient business practice. The particulars of any sale (e.g. specific products, pricing, delivery, warranty, etc.), will be in strict accordance with the terms and conditions of this RFP and the specific contract awarded to Contractor. Beyond that:

- a. For any particular procurement to be made under the provisions of a PSA contract, End User and Contractor will discuss requirements and agree as to what will be provided.
- b. Contractor agrees not to offer, agree to or accept from End User any terms or conditions that conflict with or contravene those in Contractor's PSA contract.
- c. Contractor will deliver products/services ordered, and will invoice End User for products/services accepted by End User. (See other Sub-Section herein dealing with Product Delivery.) Contractor will not invoice before shipment has been made.
- d. End User will pay Contractor for those products and/or services ordered which have been received and accepted. Under no circumstances shall any check be made payable to a representative or agent. Should a representative or agent submit an invoice to End User for any cost related to a purchase order issued to Contractor for products/services covered by a PSA contract, such invoice shall be forwarded to Contractor and Contractor will take action to correct the error.

PRICE CHANGES

- a. Any permanent increase or decrease in offered pricing for a base contract item or published option is considered to be a price change. Temporary increases in pricing by whatever name (e.g. 'surcharge', 'adjustment', 'equalization charge', 'compliance charge', 'recovery charge', etc.), are also considered to be price changes.
- b. Offered prices are expected to be held firm for a minimum of one (1) year from contract effective date. Thereafter, changes will be considered if accompanied by sufficient justifying documentation satisfactory to PSA.
- c. In the case of specifically identified price sheets which have been contracted as base bid items or as published options, routine published changes to products and pricing shall be automatically incorporated into the contract. However, Contractor must still provide thirty (30) calendar day written notice and an explanation of the changes to products and pricing. PSA will respond with written approval.
- d. The specific number and product mix featured in the Catalog(s) may change during the course of the Agreement as manufacturers introduce new products and discontinue others, or as the Contractor makes adjustments to the project lines they wish to sell.
- e. No price change will be allowed unless it has been reviewed and approved by PSA in writing. Contractor must have received PSA's written approval of any change prior to charging the new price or using it in any quotation prepared for an End User.
- f. Price change requests shall include PSA forms, or whatever documentation was used to submit pricing in the original Response hereto, showing all affected items with current contract price, requested price, and percentage change shown clearly for each. This documentation should be submitted in MS Excel format to facilitate analysis and updating of the website.
- g. Price change requests **MUST** be supported with substantive documentation (e.g. manufacturer's price increase notices, copies of invoices from suppliers, etc.) showing that Contractor's **actual costs** have increased. The Producer Price Index (PPI) may be used as partial justification, subject to approval by PSA, but no price increase based solely on an increase in the PPI will be allowed.
- h. All Products shall, at time of sale, be equipped as may be required under any then current applicable local, state, and federal government requirements. If, during the course of any contract, changes are made to such government requirements which cause a manufacturer's costs of production to increase, Contractor may increase Product pricing to the extent of Contractor's actual cost increase. The increase must be substantiated with support documentation acceptable to PSA prior to taking effect.
- i. In cases involving contract extensions exceeding sixty-one (61) days beyond the stated expiration date of the contract, Contractor may request a price change based on the same conditions as stated above. However the thirty (30) day prior notice is waived and PSA will consider the request immediately upon receipt.
- j. PSA reserves the right to accept or reject any price change request. Acceptance, if granted, will be in writing and the approved changes will become part of the contract.

CONTRACT ITEM CHANGES

- a. If a manufacturer discontinues a contracted item, that item will automatically be considered to be deleted from the contract with no penalty to Contractor. However, PSA may at its sole discretion elect to make a contract award to the next low Offeror for the item, or take any other action deemed by PSA to be in the best interests of End Users, at its sole discretion.
- b. If a manufacturer makes any change in a contracted item which **does not affect the contract price**, Contractor shall advise PSA of the details. If the new item is equal to or better than the originally contracted item, the new item shall be approved as a replacement. Otherwise PSA may allow or reject the change, or take any other action deemed by PSA to be in the best interests of End Users, at its sole discretion. If the change is rejected there will be no penalty to Contractor.

- c. If a manufacturer makes any kind of change in a contracted item which affects the contract price, Contractor shall advise PSA of the details. PSA may allow or reject the change at its sole discretion. If the change is rejected there will be no penalty to Contractor. However, PSA may elect to make a contract award to the next low Offeror for the item, or take any other action deemed by PSA to be in the best interests of End Users, at its sole discretion.

FORCE MAJEURE

If either party shall be wholly or partially prevented from the performance of any contractual obligation or duty by reason of or through strikes, stoppage of labor, riot, fire, flood, acts of war, insurrection, accident., order of any court, act of God, or specific cause reasonably beyond the party's control and not attributable to its neglect or nonfeasance, in such event, the time for the performance of such obligation or duty shall be suspended until such disability to perform is removed.

GENERAL LIABILITY/INDEMNIFICATION

Contractor shall, to the extent permitted by law, defend and hold harmless BVCOG, PSA, its board members, officers, agents, officials, employees, [and indemnities] from any and all claims, costs, expenses (including reasonable attorney fees), actions, causes of action, judgments, and liens arising as a result of Contractor's negligence, fraud, criminal acts, omissions, willful misconduct or third party intellectual property infringement of the indemnified party under this Contract. Contractor shall notify PSA of the threat of lawsuit or of any actual suit filed against Contractor relating to this Contract. THIS PARAGRAPH IS NOT INTENDED TO AND SHALL NOT BE CONSTRUED TO REQUIRE CONTRACTOR TO INDEMNIFY OR HOLD HARMLESS THE BVCOG FOR ANY CLAIMS OR LIABILITIES RESULTING FROM THE NEGLIGENT ACTS OR OMISSIONS OF THE BVCOG OR ITS EMPLOYEES.

INTELLECTUAL PROPERTY INDEMNITY

Contractor warrants that each product and service furnished by it hereunder, and any program or other software, will not infringe upon or violate any patent, copyright, trade secret or any other proprietary right of any third party or contain the confidential information of any third party. If any claim by a third party against the party asserting or involving a patent, copyright, trade secret or proprietary right violation involving any product acquired or provided by Contractor hereunder, then Contractor will defend, at its expense, and will indemnify BVCOG, PSA and its member agencies (End Users) against any loss, cost, expense, or liability arising out of such claim, whether or not such claim is successful.

PSA shall not have liability for infringement to the extent that such claim is based on the use, license, or sale of a product in combination with other products (including software) furnished by Contractor, use of the product in a manner not allowed under any license granted to PSA, or modification of the product by PSA, when without such combination, use, or modification the claim would not have arisen.

Contractor shall indemnify, save and hold harmless BVCOG, PSA and its member agencies (End Users) from and against claims of patent, trademark, copyright, trade secret or other proprietary rights, violations or infringements arising from PSA's or Contractor's use of or acquisition of any services or other items provided to PSA by Contractor or otherwise to which PSA has access as a result of Contractor's performance under the Contract, provided that PSA shall notify Contractor of any such claim within a reasonable time of PSA receiving notice of any such claim. If Contractor is notified of any claim subject to this section, Contractor shall notify PSA of such claim within five (5) business days of such notice. No settlement of any such claim shall be made by Contractor without PSA's prior written approval. Contractor shall reimburse PSA for any claims, damages, losses, costs, expenses, judgments or any other amounts, including, but not limited to, attorneys' fees and court costs, arising from any such claim. Contractor represents that it has determined what licenses, patents and permits are required under the Contract pursuant to this RFP and has acquired all such licenses, patents and permits.

COURT JURISDICTION

PSA and the successful Contractor will agree that the “PSA” contract awarded from this Request for Proposal shall be governed by the laws of the State of Texas. The parties agree that performance and all matters related thereto shall be in a state court of competent jurisdiction in Brazos County, Texas and further that neither party will seek to remove such litigation to the federal court system by application of conflict of laws or any other removal process to any Federal Court or court not in Texas.

Disputes between End User and Contractor are to be resolved in accordance with the law and venue rules of the state of purchase. Contractor shall immediately notify PSA of such disputes.

PSA ADMINISTRATION FEE

A minimum 2% Contract Administration Fee shall be collected by PSA from the Contractor for all sales which are based on a PSA contract. The fee on all Contractor sales made pursuant to the PSA contract is to be calculated by multiplying the total monthly invoice amount by at least 2%. Contractor will remit the total Administrative Fee due with the monthly report described elsewhere.

All proposed prices, fees and discounts shall consider the required minimum Administration Fee and shall be all inclusive prices. Offerors are encouraged to propose alternative methods of assessing and calculating administrative fees to PSA based on industry standards and company policy. In no case shall End Users be invoiced any amount or fee that exceeds the Contractor’s proposed and finally negotiated contract pricing/fee schedules. More specific instructions and information regarding handling of purchase orders and the administrative fee may be provided after contract award. The established procedures for payment and reporting sales stated within this RFP may be changed at any time by PSA as may be dictated by efficient business practice.

PERFORMANCE UNDER CONTRACT

PSA is committed to insuring that Contractor provides effective and efficient service to all Participants in the cooperative purchasing program, and expects that certain performance conditions must be met. Failure to meet these conditions may result in contract termination. In that regard, Contractor shall:

- a. Vendor shall provide a dedicated Contract Administrator whose duties shall include but not be limited to: 1) supporting the marketing and management of the Contract, 2) facilitating dispute resolution between the Vendor and a Customer, and 3) advising PSA of Vendors performance under the terms and conditions of the Contract. PSA reserves the right to require a change in Vendor’s then-current Contract Administrator if the assigned Contract Administrator is not, in the opinion of PSA, adequately serving the needs of the cooperative purchasing program.
- b. Appoint a dedicated and qualified representative(s) to be the contact person(s) and focal point for all matters relating to End User quotations and orders. The representative shall have: a toll free phone number with voice mail; a fax number; a working e-mail address; and a postal address.
- c. Ensure that the representative timely monitors all communication modes listed above, and promptly responds to communications from End Users and PSA in any of these modes. Phone calls will be promptly returned, in any event not later than the next business day. Acceptable failure will be due only to Force Majeure.
- d. Maintain sufficient qualified staff to promptly process all communications from PSA or End Users, and to efficiently, effectively and accurately service all requirements of the contract.
- e. As may be requested by PSA, replace any staff members who are not providing the service and expertise deemed necessary by PSA for acceptable support of PSA, Prospects and End Users.
- f. Properly prepare and provide to End User when requested a Contract Pricing Worksheet or a quotation in other format as approved by PSA, and in any event for each and every order that is to be executed. This requirement is waived whenever the Contract Specifications and Scope of Services require other pricing means and mechanisms.

- g. Furnish, on request of PSA, reasonable data, forms and graphic material to be used in brochures or other print media, or on PSA's website.
- h. Allow access to PSA authorized personnel for inspection of operating facilities, and auditing of purchase orders during the contract period, and for a period extending through the completion of any outstanding orders. Site inspection may be arranged not less than ten (10) calendar days prior, shall include the names of all participants, and shall be at no expense to Contractor.
- i. Reporting and Fee Payment Requirements:
Contractor agrees to submit written monthly reports and payment to PSA for all transactions/sales during the previous month. Such reports shall include, but are not limited to the following:
 - 1. End User name;
 - 2. Product/Service purchased, including Product Code if applicable and itemized according to the final negotiated cost proposal with PSA;
 - 3. End User Purchase Order Number;
 - 4. Purchase Order Date;
 - 5. Product/Service dollar amount; and
 - 6. PSA Administrative Fee amount.Reports must be provided to PSA in an Excel or other acceptable electronic format. Reports shall be submitted with the PSA Administrative Fee by the 20th day of the month following the applicable month being reported. If Contractor fails to submit to PSA in a timely and satisfactory manner any such payment, report or documentation, or otherwise fails to satisfactorily render performance hereunder, such failure may be considered cause for termination of this Contract.
- j. Should Contractor default in providing Products or Services as required by this RFP and the contract, recourse may be exercised through cancellation of the contract and other legal remedies as may be appropriate.

INSURANCE

Unless otherwise stipulated, Contractor must have the following insurance and coverage minimums and strictly adhere to the following requirements. The policies hereunder, shall contain a waiver of transfer of rights of recovery (subrogation) against BVCOG, PSA, its agents, representatives, officers, directors, officials, employees and member entities for any claims arising out of Contractor's work or service.

- a. **COMMERCIAL GENERAL LIABILITY INSURANCE:** Limit of liability not less than \$1,000,000 per occurrence. Contractor agrees to maintain Commercial General Liability providing coverage for, but not limited to, Bodily Injury and Property Damage, Premises/Operations, Products/Completed Operations, Independent Contractors. Additional insured endorsement required.
- b. **WORKERS' COMPENSATION INSURANCE & EMPLOYERS' LIABILITY INSURANCE:** Contractor shall maintain workers compensation insurance for statutory limits and employer's liability insurance with limits not less than \$500,000 each accident and \$500,000 by disease. Contractor waives all rights against BVCOG, PSA and End Users for recovery of damages to the extent these damages are covered by the workers compensation and employer's liability or umbrella liability insurance obtained by Contractor. Contractor shall provide evidence of this by Waiver of Subrogation in favor of the BVCOG and End Users.
- c. **BUSINESS AUTOMOBILE LIABILITY INSURANCE:** Contractor shall maintain Business Automobile Liability Insurance with a limit of not less than \$1,000,000 each accident. Business Auto Liability shall be written on a standard ISO version Business Automobile Liability, or its equivalent, providing coverage for all owned, non-owned and hired automobiles. Contractor waives all rights against the BVCOG, PSA and End Users for recovery of damages to the extent these damages are covered by the business auto policy or umbrella liability insurance obtained by Contractor or under any auto physical damage coverage. If the Contractor does not own the automobiles and furnishes

satisfactory evidence of this, then this requirement may allow the Contractor to agree to maintain only Hired and Non-Owned Auto Liability. This amended coverage requirement may be satisfied by way of endorsement to the Commercial General Liability, or separate Business Auto policy.

- d. **UMBRELLA or EXCESS LIABILITY:** Contractor may satisfy the minimum liability limits required for Commercial General Liability and Business Auto Liability under an Umbrella or Excess Liability policy. The annual aggregate limit shall not be less than the highest “each occurrence” limit. Contractor agrees to endorse PSA and the End User as an additional insured, unless the Certificate states the Umbrella or Excess Liability provides coverage on a pure “True Follow Form” basis.
- e. **CONTRACTOR’S INSURANCE TO BE PRIMARY:** Contractor’s insurance shall be deemed primary with respect to any insurance or self-insurance carried by PSA or any End User for liability arising out of operations under the contract.
- f. **DEDUCTIBLES, COINSURANCE PENALTIES & SELF-INSURED RETENTION:** Contractor shall agree to be fully and solely responsible for any costs or expenses as a result of a coverage deductible, coinsurance penalty, or self-insured retention; including any loss not covered because of the operation of such deductible, coinsurance penalty, or self-insured retention.
- g. **RIGHT TO REVIEW AND ADJUST:** PSA reserves the right to review these requirements and to modify insurance coverage and their limits when deemed necessary and prudent. Furthermore, PSA reserves the right, but not the obligation, to review and reject any insurer providing coverage because of poor financial condition.
- h. **SUBCONTRACTOR’S INSURANCE:** Contractor shall agree to cause each subcontractor employed by Contractor to purchase and maintain insurance of the type specified, provided the Contractor’s insurance does not afford coverage on behalf of the subcontractor.
- i. **CERTIFICATE OF INSURANCE:** Contractor shall furnish PSA and the End Users with a certificate(s) of insurance, executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements. The certificate must be from a company with an A.M. Best rating of “A-” or better and/or otherwise acceptable to PSA. Certificates must be submitted using the ACORD form and all endorsements must be included with the submittal. The certificate(s) shall contain a provision that coverage under such policies shall not be cancelled or non-renewed until at least thirty (30) days prior written notice, or ten (10) days notice for cancellation due to non-payment of premiums, is given PSA.
- j. In the event PSA is notified that a required insurance coverage will cancel or non-renew during the contract period, the Contractor shall agree to furnish prior to the expiration of such insurance, a new or revised certificate(s) as proof that equal and like coverage is in effect. PSA or any End User reserves the right, but not the obligation, to withhold payment to Contractor until coverage is reinstated. If the Contractor fails to maintain the required insurance, the PSA or any End User shall have the right, but not the obligation, to purchase the required insurance at Contractor’s expense. Insurance coverage shall be in effect for the length of any contract made pursuant to this RFP, and for any extensions thereof, plus the number of days/months required to deliver any outstanding order after the close of the contract period.

CONTRACTOR ORIENTATION/TRAINING

Contractor's familiarity with the operational policies and requirements of the PSA cooperative purchasing program is a key factor in achieving End User satisfaction. In that regard, the Contact Person listed on Form No. 1, or an alternate, shall be required to complete orientation/training as soon as possible after contract award. In addition, PSA may require similar orientation/training from the Contractor in order to effectively assist in the marketing effort of the Contractor’s services. PSA and Contractor shall provide this training at a time and place to be jointly determined.

LEGAL & CONTRACTUAL REMEDIES

Resolution of Protested Solicitations and Awards

Procedure: Any actual or prospective Offeror or Contractor who is aggrieved in connection with a purchase transaction may file a grievance. The grievance may be filed at any phase of the procurement. In order for an above mentioned party to enter the grievance process, a written complaint must be sent to the Program Manager of PSA by certified mail which identifies the following:

1. Name, mailing address and business phone number of the complainant.
2. Appropriate identification of the procurement being questioned.
3. A precise statement of reasons for the protest.
4. Supporting exhibits, evidence or documents to substantiate any claims.

The grievance must be based on an alleged violation of State or Federal law (if applicable). Failure to receive a procurement award from PSA in and of itself does not constitute a valid grievance. Upon receipt of grievance, the PSA Program Manager will initiate the informal resolution process.

Resolution: The PSA Program Manager shall contact the complainant and all interested parties and attempt to resolve the allegations informally within ten (10) working days from date of receipt of the complaint. If the allegations are successfully resolved by mutual agreement, documentation will be forwarded to all parties of the resolution with specifics on each point addressed in the original complaint.

Appeals: The complainant may appeal the PSA Program Manager decision by submitting a written appeal, within five (5) working days, to the Executive Director of BVCOG. The Executive Director, upon receipt of a written notice of appeal, shall contact the complainant and schedule a hearing within ten (10) working days. The Executive Director of BVCOG has the option of appointing a Hearing Officer to preside over the hearing. If appointed, the Hearing Officer shall conduct a hearing and forward a summary and recommended resolution to the Executive Director.

The decision reached by the Executive Director or his designee shall be final and conclusive. This decision will be forwarded to the complainant in writing within thirty (30) working days. The Contractor may, if it elects to do so, appeal the final and conclusive decision of the Executive Director to a Court of competent jurisdiction located in Brazos County, Texas.

Resolution of Contract Disputes

Upon breach or default, PSA shall give the Contractor written notice of default. If the default is not remedied, within a reasonable specified time from date of notification, to the satisfaction and approval of PSA, default will be declared. Upon breach of contract or default, PSA may exercise any and all of its rights afforded by law, including but not limited to those referenced herein.

Solicitations or Awards in Violation of the Law

Contracts awarded in violation of the competitive process or otherwise in violation of the law are voidable by PSA.

OUT OF STATE SALES OPPORTUNITIES

The PSA Cooperative Purchasing Program was established to provide purchasing services to local governments in the State of Texas. In addition, Texas Government Code (Title 7, Chapters 771 and 791) establishes the authority for PSA to provide purchasing services to local governments in other states as well. With that authority, PSA wishes to make contracted products and/or services available to out of state local governments, state agencies, political subdivisions, districts and non-profit agencies. Therefore, once a contract is awarded, Contractor is strongly encouraged to expand the scope of its marketing effort to include sales to End Users outside the state of Texas, but subject to the following:

Contractor may sell through PSA out of state. If the market structure in which Contractor operates requires a contract assignment for such out of state sales, PSA will allow Contractor to assign the contract to a Manufacturer or to another Dealer(s). Such assignment must be approved by PSA.

FRANCHISE TAX

The vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes.

PUBLICITY & MARKETING

PSA requires Contractors to "market" the contract, and will provide information and artwork to be used in published promotional materials. However, any publicity or published material released by Contractor referencing the contract, whether in the form of a press release, flyer, brochure, photographic coverage, or verbal announcement, shall be issued only with prior review and approval by PSA. In addition, the Contractor will be required to provide the items and/or services listed herein.

The intent of these requirements is to form a basis through which the successful Contractor and PSA can jointly and effectively market the Contract. The successful Contractor will be consulted on a regular basis and asked to evaluate the on-going marketing plan and to submit recommendations for improvements. The objective is to maintain a cost efficient and highly productive means of marketing the Contractor, PSA and a high value contract.

Offerors shall include a marketing plan which addresses Publicity & Marketing Item's 1 – 5 in the response to this RFP.

- 1. Press Release:** A press release, including logos, brands and taglines for PSA's use in various marketing campaigns, shall be provided electronically within ten (10) days of the date the contract is executed. The development of the text and format of the press release shall be a joint effort between the Contractor and PSA. Examples of PSA approved press releases are available at: www.psabuy.org.
- 2. Sales Brochures:** A formal sales brochure shall be prepared and submitted in hard copy and electronic form and in sufficient quantities for PSA's use in marketing the Contractor's offerings through the PSA contract within thirty (30) days of the date the contract is executed. The brochure shall be co-branded, contain detailed information about the PSA program, the Contractor, the offerings and contact information for the designated person(s) familiar with the contract offerings. The brochure shall be presentation quality and provide a highly favorable impression of PSA, the Contractor and the program. PSA will assist in the development of this brochure by providing PSA specific information, logos and feedback on the style and text included in draft versions.
- 3. Web Site:** In addition to the requirement that PSA Contractors maintain a general use website, the Contractor shall provide an active and live landing page(s). The page(s) shall be co-branded and specifically devoted to the PSA/Contractor offering to its members and be available to the public within thirty (30) days of the date the contract is executed. The page shall contain detailed information about the PSA program, the Contractor, the offerings, and the contact information for the designated person(s) familiar with the contract offerings.
- 4. Net Price Catalog:** Certain PSA awarded contracts require Contractors to provide a full-line net priced catalog in hard copy and/or made available to members through the Contractor's web site and the customized landing page referenced above. **Offerors shall address their capabilities in this regard within the formal proposal submitted in response to this RFP.**
- 5. Marketing:** The successful Contractor will be required to market the PSA contract to members and prospective members through various means including email notifications, direct mail, telemarketing and direct contact. PSA will share contact information for all current

members and provide the Contractor with prospect contact information. The Contractor shall consistently market the contract throughout the term and maintain a coordinated effort with the PSA Program Manager.

PSA Logo

The successful Vendor may use the PSA logo in the promotion of the contract to customers with the following stipulations: (1) the logo may not be modified in any way, (2) when displayed, the size of the PSA logo must be equal to or smaller than the Vendor logo, (3) the PSA logo is only used to communicate the availability of products and services under the contract to customers, and (4) any other use of the PSA logo requires prior written permission from PSA.

Vendor Logo

PSA may use the Vendor's company name and logo in the promotion of the contract to communicate the availability of products and services under the contract to customers. Use of the logos may be on the PSA website or on printed materials. Any use of Vendor's logo by PSA must comply with and be solely related to the purposes of the contract and any usage guidelines communicated to PSA from time to time. Nothing contained in the contract will give PSA any right, title, or interest in or to Vendor's trademarks or the goodwill associated therewith, except for the limited usage rights expressly provided by the Vendor.

RESPONSE REQUIREMENTS

STRUCTURE OF RESPONSE

It is the intent of this solicitation that other governmental organizations and agencies throughout the continental United States may purchase identical items at the same unit pricing and the same general terms and conditions, subject to the applicable state and federal laws. Depending on the Product or Service, market structures and sales practices can differ substantially. For example, dealers may sell into any market or may be restricted to certain territories, manufacturers may sell direct or may be limited by law to selling through independent dealerships, etc. PSA's objective is to ensure that End Users, no matter where located, can buy contracted products/services and receive high quality and timely service and support, while at the same time allowing for the most appropriate and effective response to this RFP. Therefore, responses to this RFP shall consider these performance requirements.

BASIC REQUIREMENTS & CONDITIONS

- a. The final requirements and specifications may be materially different from those in the original Request for Proposal. It is Offerors sole responsibility to thoroughly examine and review all documentation associated with this RFP, including any Addendums, and to insure that any response submitted complies in every respect with all requirements.
- b. Any Addendum to this RFP which may be required prior to the Response due date will be issued and posted through PSA's electronic bidding system service provider (BidSync) and notification will be sent electronically to those prospective Offerors of record. Prospective Offerors shall be responsible for obtaining all documents relating to submission of a Response.
- c. Offeror shall thoroughly examine any drawings, specifications, schedules, instructions and any other documents, supplied as a part of this RFP and is solely responsible for understanding and compliance.
- d. PSA shall not be liable for Offeror's incomplete documentation, or for any costs associated with preparation and submission of any Response hereto. Additionally, all components of any Response become the property of PSA.
- e. Offeror shall make all investigations necessary to become thoroughly informed regarding any plan and/or infrastructure that may be required to support delivery of any Product or Service covered by this RFP. No plea of ignorance by Offeror stemming from failure to investigate conditions that may now or hereafter exist, shall be accepted as a basis for varying PSA's requirements, or Offeror's/Contractor's obligations or entitlements.
- f. There is no expressed or implied obligation for BVCOG or PSA to reimburse responding firms for any expenses incurred in preparing proposals in response to this Request for Proposal, and BVCOG - PSA will not reimburse responding firms for these expenses, nor will they pay any subsequent costs associated with the provision of any additional information or presentation, or to procure a contract for these services.
- g. Requests for changes to the requirements or specifications herein must be in writing and must be received by PSA no later than the deadline established in the RFP Schedule. PSA will review such requests, but may or may not make changes at its sole discretion. Changes, if any, will only be made by written Addendum sent to email addressees of record. In any event, it is the Offeror's sole responsibility to insure that any and all Addendums which may have been issued have been received and addressed.
- h. By submission of a response, Offeror expressly understands and agrees that all terms and conditions herein will be part of any subsequent contract that is executed pursuant to this RFP.
- i. Offeror is advised that all PSA contracts are subject to the legal requirements established in any applicable Local, State or Federal statute.
- j. Offeror/Contractor must be in compliance with all licensing, permitting, registration and other applicable legal or regulatory requirements imposed by any governmental authority having

jurisdiction. It is Offeror/Contractor's responsibility to ensure that this requirement is met, and to supply to PSA upon request, copies of any license, permit or other documentation bearing on such compliance.

- k. Unless otherwise established elsewhere in this RFP, NO minimum purchase quantities or spending levels are provided or guaranteed by PSA or any Participant.
- l. This RFP is not meant to restrict competition, but rather is intended to facilitate open, fair and unrestricted competition.
- m. Responses which are 'qualified' with conditional clauses, or alterations of or exceptions to any of the terms and conditions in this RFP may be deemed non-compliant at PSA's sole discretion.
- n. The term 'Offeror', or derivative thereof, shall become synonymous with "Contractor" or "Company" or "Vendor" for any successful Offeror recommended for a contract pursuant to this RFP.
- o. PSA reserves the right to:
 - Reject any and all offers received in response to this RFP.
 - Reject any part of an offer received in response to this RFP.
 - Determine the correct price and/or terminology in the event of any discrepancies in any response.
 - Accept a response from, and enter into agreement with, other than the lowest price Offeror.
 - Accept responses and award contracts to as many or as few Offerors as PSA may select.
 - Amend, waive, modify, or withdraw (in part or in whole) this RFP, or any requirements herein.
 - Hold discussions with Offerors, although award may be made without discussion.
 - Request an Offeror to give a presentation of the Response at a time and place scheduled by PSA.
 - Exercise any of these rights at any time without liability to any Offeror.
- p. PSA reserves the right to determine that conditions exist which prevents the public opening of responses on the date/time advertised, and to reschedule the public opening for a future date and time. Responses received by PSA by the original deadline will be secured unopened until the rescheduled opening date and time, and those having timely submitted such responses will be notified.

PERFORMANCE BOND

If deemed necessary, the End User may require the Contractor to furnish (without additional cost) a performance bond, a negotiable irrevocable letter of credit or other form of security for the faithful performance of work. Determination of the appropriateness and amount of any performance bond requirement, is the sole responsibility and at the sole discretion of the End User.

CONFIDENTIAL / PROPRIETARY MATERIALS

PSA uses its best efforts to follow the intent of the Texas Public Information Act (the "Act"). If Offerors proposal contains material noted or marked as "confidential" and/or "proprietary", and that material in PSA's sole opinion meets the disclosure exemption requirements of the Act, then that information will not be disclosed pursuant to a request for public documents. If PSA does not consider such material to be exempt from disclosure under the Act, the material will be made available to the public regardless of the notation or markings. **If an Offeror is unsure if its confidential and/or proprietary material meets the disclosure exemption requirements of the Act, then it shall not include such information in the proposal.**

REFERENCES

- a. Offeror shall list the names of at least five (5) public, government and education agencies within the United States which have purchased from Offeror products or services similar to those covered by this RFP, within the last two (2) years. PSA reserves the right to determine if such products or services are appropriately similar.

- b. Each reference shall be a public, government or education agency and include the following:
 - Agency Name
 - Contact Persons Name
 - Address
 - Phone
 - E-Mail
- c. Other information, including criticism however learned, may be used by PSA in evaluation of responses.

PROMPT PAYMENT DISCOUNTS

- a. Progress, prompt and special discounts of any kind may be offered and detailed in the attached Cost Proposal forms. Such discounts shall be clearly stated and may be a determining factor in awarding contracts.
- b. Quantity discounts applicable to similar Products sold to one or more End User Departments may be offered. Determination as to product similarity shall rest solely with Contractor.
- c. For specific purchases, any proposed quantity, prompt or special discounts shall be clearly shown in the response form provided herein.

OFFEROR CERTIFICATIONS AND ACKNOWLEDGMENT

Offeror is required to fully complete and sign the attached **Acknowledgment and Certification** form. It must show full firm name and mailing address of Offeror and be manually signed by an authorized sales or quotation representative of the Company. Submission of a signed **Acknowledgment and Certification** form will be interpreted to mean that the Company has hereby agreed to all terms and conditions set forth in all of the sheets which make up this RFP and to execute the sample contract attached herein.

In addition, Offeror, by signing the attached **Acknowledgment and Certification** form, makes the following certifications under penalty of perjury and possible contract termination if any of these certifications are found **Acknowledgment** to be false.

Non-Collusive Response

- a. The prices in the Response have been arrived at independently without collusion, consultation, communication, or agreement for the purpose of restricting competition, as to any matter relating to such prices with any other Offeror or potential competitor.
- b. The prices which have been quoted in the Response (unless otherwise required by law), have not been knowingly disclosed by Offeror and will not be knowingly disclosed by Offeror prior to the public response opening, either directly or indirectly, to any other Offeror or competitor.
- c. No attempt has been made or will be made by Offeror to induce any other person, partnership or corporation to submit or not to submit a response for the purpose of restricting competition.

Non-Biased Specifications

- d. This RFP contains no requirements considered to be unduly biased in favor of Offeror or any other Offerors that may be competing for this procurement.

No Financial Interest or Other Conflict

- e. No BVCOG or PSA officer, employee, Board of Directors member or member of any BVCOG board or commission, nor family member of any such person, has a financial interest, direct or indirect, in Offeror or in any contract Offeror might enter into with PSA.
- f. No economic or employment opportunity, gift, loan, gratuity, special discount, trip, favor or service has been, or will be, offered or given to any officer, employee, Board of Directors member, or member of any BVCOG or PSA board or commission, nor to any family member of any such person.

Debarment and Suspension Status

- g. Offeror is not currently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any government agency, nor is Offeror an agent of any person or entity that is currently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transaction by any government agency.
- h. Offeror has not within a three (3) year period preceding this RFP been convicted of or had a civil suit judgment rendered against Offeror for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain or performing a public transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statement, or receiving stolen property.
- i. Offeror is not presently indicted for or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses enumerated above.
- j. Offeror has not, within a three (3) year period preceding this RFP, had any government (federal, state, or local) transactions terminated for cause or default.

Insurance Coverage

- k. Offeror has and will maintain insurance coverage in accordance with the requirements of this RFP, unless otherwise negotiated in the final contract.

Licensing & Permits

- l. Offeror(s) has (have) all licenses and/or permits, required by any and all governmental entities having jurisdiction, to legally sell the products/services offered.

Felony Conviction Notification

- m. Offeror represents and warrants that the Offeror's employees have not been convicted of a felony criminal offense, or that, if such a conviction has occurred, the Offeror has fully advised PSA as to the facts and circumstances surrounding the conviction.

HISTORICALLY UNDERUTILIZED BUSINESS (HUB) PARTICIPATION

- a. The term "HUB" refers to a historically underutilized business that is a corporation, sole proprietorship, partnership, joint venture, or supplier contract formed for the purpose of making a profit in which at least 51 percent of all classes of the shares of stock or other equitable securities are owned by one or more persons who (1) are socially disadvantaged because of their identification as members of certain groups, including African Americans, Hispanic Americans, women, Asian Pacific Americans, and Native Americans, and have suffered the effects of discriminatory practices or similar insidious circumstances over which they have no control; and (2) have a proportionate interest and demonstrate active participation in the control, operation, and management of the business entity's affairs.
- b. To satisfy Texas' statutory requirements [Government Code, Chapter 2161, Subchapter D], PSA requires all Offerors to supply information in any bid/proposal response listing (1) the total number of subcontracts and (2) the total number of HUB contracts applicable to the services offered in the response. Local governments often require this information for their own reporting requirements prior to placing orders through the PSA Cooperative Purchasing Program.
- c. For purposes of information availability, Offeror is encouraged to include subcontracts with HUB's that provide services related to the delivery of a service.

NON-RESIDENT RECIPROCAL SALES ACT

As required by Texas Civil Statutes in the award of contracts, an Offeror which is not a Texas resident business must determine if its state of residence prohibits award of government contracts to Texas

resident Offerors without penalty. If Offeror's resident state DOES penalize Texas Offerors, Offeror must provide this information along with a copy of its applicable resident state's statute in the Response.

REQUIREMENTS FOR SUBMISSION OF A RESPONSE

Unless otherwise addressed within the RFP, the following requirements shall apply:

- a. **Electronic Submission of Response - (Preferred method):** Offerors may upload one (1) final and complete electronic proposal on the on-line bidding system that PSA utilizes for its bid and proposal solicitations at <http://www.bidsync.com>. There is NO COST to the Offeror in submitting their proposal in response to this RFP via the on-line electronic bidding system.
- b. **Paper Submission of Response:** In lieu of electronic submission, responses may be submitted in four (4) complete printed sets including one (1) Original and three (3) Copies in separate "hard side" three-ring binders. The outer spine of each binder shall be labeled showing this RFP No., Offeror Name, and either "Original" or "Copy", as applicable. The Original printed response will be considered to be the binding Response in case of any conflicts between printed copies and Electronic Media (CD-ROM or Flash Drive) submitted with the Offeror's (paper response) proposal package.
 - Instructions for paper submission of Offeror's response to this RFP:
 1. Paper Submission of Responses shall be enclosed in a SEALED package(s) addressed to Purchasing Solutions Alliance. The following information shall be clearly stated on the exterior of the package(s):
 - Name and address of Offeror.
 - Date and hour of public response opening.
 - Bid/Proposal RFP number.
 - The statement: **"SEALED PROPOSAL, DO NOT OPEN IN MAIL ROOM"**. This label shall be of sufficient size to be quickly and easily noticed and affixed to opposing sides of the package(s).
 2. The complete response to this RFP shall also be submitted on Electronic Media (CD-ROM or Flash Drive). The Original and the Copies shall be submitted complete, except that the Electronic Media should be submitted only with the Original.
- c. All required PSA FORMS and documents shall be properly completed, without exception or Offeror's Response may be deemed non-compliant. Offeror may not modify the format of any PSA FORM in any way, but may only fill in information and add lines if needed. In certain cases, the cost proposal form may be modified in accordance with instructions provided for the form. Offeror may photocopy or print blank FORMS as needed.
- d. There is no limit on the physical size of the proposal but a complete yet succinct, and unambiguous presentation of the services offered and the fees required will be expected. Proposals should provide a clear and straightforward description of services and the firm's ability to meet requirements.
- e. Responses should include any official PSA Addenda issued after initial release of this RFP.
- f. No oral, telegraphic, telephonic, or facsimile bids will be considered or accepted.

INCONSISTENT INFORMATION

PSA review of responses supplied on PSA FORMS is a significant part of the evaluation process. Offeror shall state clearly all information required on the FORMS. Offeror's information supplied on the FORMS shall take precedence in the event any standard "boilerplate" type language included in Offeror's response is inconsistent with the information supplied by Offeror on the PSA FORMS. In all cases, information on PSA's printed FORMS supplied as part of Offeror's response shall take precedence over information supplied on electronic media.

REJECTION OF RESPONSES

- a. PSA may reject a response if:
 - Offeror misstates or conceals any material fact in the Response, or if,
 - Offeror does not strictly conform to law or the requirements of this RFP.
- b. PSA may reject any and all responses, and may reject any part of a response.
- c. PSA, at its sole discretion, may also waive any formalities or irregularities in any response whenever it is deemed in the best interest of PSA or its End Users.

WITHDRAWAL OR MODIFICATION OF RESPONSES

Once received by PSA, responses may be modified or withdrawn prior to the submission deadline only if the request to do so is in writing and on Offeror's formal letterhead. Persons bearing such requests must show positive identification and authorization to submit the request. Responses and requests for modification received after the submission deadline will not be accepted.

RESPONSE EVALUATION

Request for Proposal (RFP) Responses:

- a. All contracts and purchases shall be handled in a manner to obtain the best value for PSA and the End Users. In determining the best value, the following may be considered:
 1. purchase price, including payment discount terms;
 2. reputation of the bidder and of the bidder's goods or services;
 3. quality of the bidder's goods or services;
 4. extent to which the goods or services meet the needs of PSA and the End Users;
 5. bidder's past relationship with PSA and the End Users;
 6. impact on the ability of PSA and the End Users to comply with laws and rules relating to contracting with historically underutilized businesses and nonprofit organizations employing persons with disabilities;
 7. the total long-term cost to PSA or the End Users to acquire the bidder's goods or services;
 8. availability of repair and maintenance parts;
 9. conformity to specifications;
 10. financial condition;
 11. delivery terms; and
 12. any relevant criteria specifically listed in the request for bids or proposals.
- b. Proposals will be evaluated by PSA using the following relevant criteria:

Criteria Description	Possible Points
1. Overall compliance of response with RFP requirements.	5
2. Cost proposal.	30
3. References, experience and proven capability in public sector contracting and service delivery and credentials of staff to be assigned to the account.	10
4. Ability to provide high quality services in accordance with the performance requirements provided herein.	30
5. Ability to meet the needs of the PSA cooperative purchasing program, including but not limited to the ability to provide superior customer service to a broad range of governmental agencies.	25
Maximum Score	100 points

- c. All proposals shall be evaluated to determine the extent to which they comply with the RFP requirements provided herein.
- d. If a proposal fails to meet a material solicitation document requirement, the proposal may be rejected. A deviation is material to the extent that a response is not in substantial accord with the solicitation. Immaterial deviations may cause a bid to be rejected.
- e. Proposals containing false or misleading statements may be rejected if in PSA's opinion the information was intended to mislead regarding a requirement of the solicitation document.
- f. All figures entered on the cost sheet must be clearly legible and the cost sheet should be well organized with costs for all elements clearly stated.
- g. At the public opening, there will be no disclosure of contents to competing firms, and all proposals will be kept confidential through the evaluation and contract negotiation process.
- h. During the evaluation process, PSA reserves the right, where it may serve the PSA's best interest, to request additional information or clarifications from proposers. Each proposal must designate the person(s) who will be responsible for answering technical and contractual questions. Preliminary negotiations may be conducted with responsible Offeror(s) who submit proposals that are reasonably susceptible of being selected. At the discretion of PSA, all Offeror(s) reasonably susceptible of being selected based on criteria set forth in this RFP may be given an opportunity to make a presentation and/or interview with the Selection Committee. Vendors will be ranked in order of preference and final contract negotiations will begin with the top ranked vendor. Should negotiations with the highest ranked firm fail to yield a contract, or if the firm is unable to execute said contract, negotiations will be formally ended and then commence with the second highest ranked firm, etc.
- i. Prior to award, Offeror(s) may be asked to submit best and final offers (BAFO). In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by a competing Offeror.
- j. PSA reserves the right to waive any or all irregularities, formalities, or other technicalities, to be the sole and independent judge of quality and suitability of any products offered, and may accept or reject any proposal in its entirety, or may reject any part of any proposal without affecting the remainder of that proposal, and may award the individual items on this proposal in any combination or in any way to best serve the interests of its members as it perceives those interests to be in its sole discretion.
- k. PSA authorizes competitive and indefinite quantity awards to those proposers who give the same or better discounts/pricing than they give their best governmental clients. All proposals are evaluated on their own merit and are determined to be fair and reasonable by comparing the price/discounts that the proposer offers other governmental clients. Discount practices may be examined and evaluated based on historical data, sales information and other market research techniques.
- l. PSA has the right to award to multiple companies supplying comparable products or items, also known as a multiple award schedule, but reserves the right to make a single award to the highest ranked Offeror.
- m. It is understood that PSA, through its management and/or its members, may use all means at their collective disposal to evaluate the proposals received based on the stated criteria, and the final decision as to the best overall value, both as to price and to suitability of the products and/or services offered to fit the needs of the members of PSA, will rest solely with the Board of Directors of the BVCOG or their designee(s).
- n. Delivery time and prompt payment discounts, including time allowed for payment, may be considered in tie-breaking of offers which are judged by PSA to be equal in all other criteria.
- o. The successful proposer(s) will be notified by "Notice of Intent to Award" issued by the management of PSA.
- p. By submission of a Response Offeror indicates acceptance of the evaluation technique, and recognizes and accepts that PSA may at its sole discretion make subjective judgments during the evaluation process.

PROPOSAL FORMAT

Due to the complexity of responses and to aid in evaluation, the Response should contain ALL required information in tabbed sections as detailed below. Omission of any required FORM or information will be sufficient grounds for PSA to consider your response to be non-compliant.

Tab A - Title and Table of Contents

The proposal should begin with a title page bearing the name and address of the vendor and the name and number of this RFP. A table of contents for the proposal should follow the title page.

Tab B - Executive Summary

Vendors must condense and highlight the contents of the proposal in a separate section titled “Executive Summary.” The summary must identify any exceptions the vendor has taken to the requirements of this RFP, the contract or any other attachments.

Tab C - Vendor Technical Response to RFP Requirements and Questionnaire

Vendors must address each criterion in the technical response and answer all questions in the Questionnaire section of this RFP, located directly after the Specifications and Scope of Services. Vendors must describe how the proposed services will meet the requirements as described in this RFP.

Tab D - Table of Organization

Vendors must provide a copy of their current table of organization. The purpose of this requirement is to demonstrate range and depth of the vendor’s staff qualifications and resources.

Tab E - Resumes

Vendors must provide resumes of the proposed Contract and Marketing Manager and contact information for regional, state and national representatives responsible for governmental sales and marketing. Resumes shall include references to projects similar to the project defined by this RFP.

Tab F - Cost Proposal

Offerors are to provide necessary information and pricing for the products and services specified and requested for all sections of the Cost Proposal form (Attachment - Form No. 2). Offerors may insert additional blank spaces, rows, and columns or increase spacing of any existing rows and/or columns provided as necessary for proposed product/service offerings throughout the entire Cost Proposal sheets.

The form requests pricing and costs of products (supplies, equipment, accessories, etc.), related services (equipment maintenance and repair, training, etc.), and solutions (product dispenser programs). Additionally, Offerors may offer percentage discounts per specific Manufacturer product lines or by means of individual categories of products and/or services, if applicable. Product pricing shall be based on discount from a manufacturer’s published list price. In some cases, it may be suitable to propose “cost plus” for pricing of products per particular manufacturer product line offerings. Related services (maintenance, repair or training, etc.) shall be itemized and include all costs, including but not limited to hourly rates, service fees or labor costs, where applicable.

Offerors are encouraged to propose a complete product list offering with competitive discount schedules and/or best available pricing available that they most commonly offer and sell to government, public and education agencies. Offerors may offer a robust Core List or full Catalog of frequently purchased products (supplies, equipment, accessories, etc.) to be offered to PSA and its members as part of the contract. In addition, Offerors may propose options of alternate pricing scenarios that will allow PSA member participants to customize/determine their own Core List(s) of items to best service their organizational needs, with the deepest discounts available. Any participants that may opt for this

customizable program will receive these prices in writing and follow the same pricing structure or better than under the master contract between PSA and vendor.

Non-catalog, non-core list and/or off-contract items will be priced by the successful vendor as aggressively and competitively as possible. Such items which are also not featured on the successful vendor's online ordering website shall be priced in advance of order approval and shall be based on the most appropriate, best available discounts vendor can offer to PSA member entities.

Tab G – End User Service Agreement

PSA member entities may enter into a separate supplemental service agreement "End User Agreement" (by whatever name your company refers to such document) to further define the level of service requirements over and above the minimum defined in this contract (e.g., invoice requirements, ordering requirements, special order items and delivery, inclusion of specialty value added services designed to be tailored to a specific End User's needs and/or requests, etc.). Any supplemental service agreement developed as a result of this contract is exclusively between the participating member entity and awarded vendor. BVCOG, PSA, its board members, officers, agents, officials, and employees shall not be made party to any claim for breach of such agreement.

Tab H - References

Offerors shall list the names of at least five (5) public/government agencies within the United States which have purchased from Offeror products or services similar to those covered by this RFP, within the last two (2) years. Each reference shall be a public, government or education agency and include the following specific information:

- Agency Name
- Contact Persons Name
- Address
- Phone
- E-Mail

Tab I - Marketing Plan & Resources

Provide the following information:

1. Describe how your firm would implement our cooperative purchasing program/contract. Your response should include specific details of your proposed plan to help PSA drive participation in our cooperative purchasing program and specifically market your firm and contract to our members and other public agencies. The proposed implementation plan shall generally comply with all marketing requirements provided in the RFP.
2. Describe your program to serve the specialized needs of the Education, Government and Non-profit sectors. Include details on your program experience, dedicated support and resources, any specialized software programs or tools that are geared towards specific customer needs.
3. Marketing brochures and information generally distributed and/or displayed to customers should also be included in this tab section.

Tab J - PSA Administrative Fee

Offerors may propose alternative methods of assessing, calculating, tracking, reporting and payment of contract administrative fees to PSA based on industry standards and company policy.

Tab K - Offeror Acknowledgment & Certification

The Offeror Acknowledgment & Certification form (Form No. 1) is an Excel spreadsheet that must be completed and signed as a requirement of this RFP.

Tab L - Conflict Of Interest Questionnaire

Chapter 176 of the Texas Local Government Code requires vendors and consultants contracting with PSA to file a Conflict of Interest Questionnaire (CIQ) if they have an employment or other business relationship with a PSA officer or an officer's close family member. The form is located at the Texas Ethics Commission website: http://www.ethics.state.tx.us/whatsnew/conflict_forms.htm. It is Offeror's responsibility to download the form and furnish a completed copy with the Response.

Tab M - All Addenda

Offerors must include all addenda, signed, acknowledged, and stipulated.

Tab N - Electronic Media

If Offerors choose to respond via paper response rather than via electronic submission of their proposal, all electronic media such as CD-ROM or Flash Drive must be secured in a pouch or envelope such that it will not fall out of the (Original) proposal binder. The CD-ROM or Flash Drive must contain the complete response to the RFP and all required forms, exhibits and any addendums to the RFP.

Tab O - Additional Response Information

Offerors may include additional information by attaching items under this heading. Information requested elsewhere may not be included in this section.

SPECIFICATIONS AND SCOPE OF SERVICES

Purchasing Solutions Alliance (PSA), a cooperative purchasing program of the Brazos Valley Council of Governments (BVCOG) is soliciting proposals from experienced and qualified vendors to provide custodial supplies, equipment, related products, services and solutions to PSA/BVCOG, its Members and/or prospective Members.

Offerors shall provide firm contract pricing for all Products and related Services offered. It is the intent of PSA to establish a cooperative contract to satisfy the needs of participating member entities for the specified goods and services. This contract will also be utilized by PSA and BVCOG for our needs.

This contract will enable PSA and its member agencies to purchase on an “as needed” basis from a competitively awarded contract with high performance vendor(s). Offerors are encouraged to submit a proposal for offering their total line of available products and services that are commonly purchased by public and government agencies, education institutions and qualifying non-profits.

PSA highly prefers to award an exclusive contract to the company who is most able to:

- Provide a variety of quality products/services;
- Provide highly competitive pricing; and
- Provide value-added and superior customer services.

PSA reserves the right to award multiple contracts by designated segments of products/services solicited in this RFP. Responses shall be considered only from Offerors that have established excellent reputations in their markets, and who furnish satisfactory evidence of ability to supply the products/services specified.

INTENT AND SCOPE OF SERVICES

The intent of the scope of services and/or the specifications provided herein is to provide Offeror with sufficient information concerning the Products/Services to be contracted such that Offeror can prepare and submit an acceptable Response.

General Definition of Products and/or Services

This Solicitation is to establish a nationwide master agreement for the acquisition of the following products and services. The category descriptive examples below are not to be considered restrictive, but rather, provide a general, non-inclusive, description of the category.

The intent is for each Supplier to submit their complete line of Custodial Supplies, Equipment and Custodial Related Products, Services and Solutions so that PSA/BVCOG and participating public agencies may order a wide array of products, services and solutions as appropriate for their needs.

A. Custodial Supplies and Equipment

CATEGORY 1: AEROSOLS, CHEMICALS AND CLEANERS

Air care and odor control, carpet and floor care chemicals, chemical management systems, disinfectants, general purpose chemicals, glass cleaners, industrial and bench maintenance chemicals, polishes, restroom cleaners, specialty chemicals, and other miscellaneous cleaning chemicals, etc.

CATEGORY 2: PAPER TOWELS, TISSUES AND WIPERS

Facial tissue, toilet tissue, towels, wipers, seat covers, dispensers, food service products, etc.

CATEGORY 3: HYGEINE

Toiletry pads, screens, and deodorizing blocks, etc. Liquids and pastes, such as soaps, lotions, sanitizers, disinfectants, and skin care controlled, including dispensers, and sanitary disposal receptacles, etc.

CATEGORY 4: SANITARY MAINTENANCE

Brooms and dust pans, brushes, can liners, dispensing equipment, floor and hand pads, material handling, mopping supplies, feminine hygiene, squeegees and scrapers, waste receptacles, etc.

CATEGORY 5: SAFETY HAZARD SUPPLIES

Gloves, dust masks, shoe covers, disposable aprons, hair covers, safety treads, goggles, signs, barriers, etc.

CATEGORY 6: MISCELLANEOUS PRODUCTS

Any additional products offered by Supplier, such as restroom accessories, partitions, storage shelves or cabinets, mirrors, floor pads, floor matting, indoor/outdoor custom waste containers, etc.

CATEGORY 7: EQUIPMENT AND PARTS

A complete selection of equipment, walk-behind scrubbers, rider scrubbers, scrubber-sweepers, rider sweepers, walk-behind sweepers and floor machines, buffers, burnishers, carpet extractors, vacuums, and any other cleaning and maintenance equipment (including all parts) offered by Supplier.

B. Maintenance and Repair, Training and Related Services and Solutions

The complete range of related custodial supply/equipment services and solutions offered by Supplier such as, equipment maintenance and repair, product dispenser programs, product or equipment demonstrations and training, new equipment sales in-service training, consulting services and product assessment or evaluation, other training and certification of custodial personnel, etc.

Additional Value Added Products and Services

Offerors are encouraged to list and provide detailed descriptions of any additional products and/or services you intend to provide that will enhance and add value to this Contract for PSA and participating member entities. These offerings will be considered and evaluated. PSA reserves the right to accept any or reject additionally proposed products or services in the best interest of BVCOG, PSA and its participating member entities. Proposal of additional products and relevant information shall be submitted in Tab O - Additional Response Information of the Offeror's response to this RFP.

Pricing

Offerors shall provide pricing based on a percentage discount from a manufacturer's published list price and the discount percentages will not be lowered during the Contract's duration. It is the intent of PSA to always provide the best price and value to itself and to its members. The successful vendor must be able to provide a pricing methodology for its products and services that will ensure that PSA is always getting the best and most competitive price available.

All pricing submitted to PSA shall include the mutually agreed upon contract administrative fee to be remitted to PSA by the successful vendor. It is the vendor's responsibility to keep all pricing up to date and on file with PSA. All price changes shall be presented to PSA for acceptance, using the same format as was accepted in the original contract.

Paper and Electronic Cost Proposals must contain the following, at minimum:

- Manufacturer Brand, Model and Part Number;
- Vendor product code or part number (if different from manufacturer);
- Item and Description;
- Manufacturers Suggested Retail Price (MSRP) or List Price;
- Percentage Discount From MSRP or List Price; and
- PSA Contract Unit Price (including freight).

Estimated Usage

The estimated value of this contract is \$171,746.00 (past 12 months spend). This estimate should not be construed to be a guarantee of either minimum or maximum since usage is dependent on PSA's and/or members' actual needs, and available funding. However, PSA anticipates growth in amount of usage and activity resulting from this RFP, and growth in PSA memberships with eligible entities nationwide.

Minimum Order

There shall be no minimum order requirements associated with this contract. End Users are not required to utilize, nor purchase products from the contract. End Users have the option (no obligation) to purchase products by "piggybacking" the contract established with the successful vendor.

Ordering Methods

The Contractor shall have the capability to accept orders through the following methods:

- Electronic (email);
- Telephone;
- Fax; and
- Internet/Web or e-Commerce (optional).

Internet/Web System Orders

It is a preference that the successful vendor has the ability to receive/accept orders electronically via a website or e-Commerce portal customized to the specifications herein, which provides access to each End User account 24 hours a day/7 days a week.

The vendor may provide a customized electronic ordering system that contains the following elements:

1. A categorized listing of products/items as established in the contract.
2. A detailed description of each item including all relevant attributes.
3. A quantity designation indicating how the item is sold (each, volume, etc.) as well as the quantity of item in the selling measure of unit when applicable.
4. A display of each item unit's individual price, the quantity on order, the extended price, and the total order price.
5. Real-time pricing accurate to the contract pricing.
6. The ability for the End User to specify any customization requirements for items on order, or the order as a whole.

Delivery/Freight

Delivery time shall be the period elapsing from the time the individual order is placed until that order is received by each End User at the specified delivery location. The delivery date indicates a guaranteed delivery at the End User's unique location. The estimated delivery time after receipt of order (ARO), inclusive of Saturdays, Sundays and holidays, for all Products offered must be stated in the Cost Proposal form (Form No. 2) of the Offeror's response to the RFP. Cost proposals, including all prices and percentage discounts from product list price shall include all shipping costs. All deliveries shall be freight prepaid, F.O.B. Destination and shall be included in all pricing offered unless otherwise clearly stated in writing. End User's assume no liability of goods delivered in a damaged or unacceptable condition.

Invoices

The vendor shall submit invoices to PSA participating entities (End Users) clearly stating “In accordance with PSA Contract No. 14-101”. The shipment tracking number or pertinent information for verification shall be made available upon request. All invoices shall include same or similar standard format, unless otherwise requested by End User to customize the contents of invoices to fit the End User’s needs or requirements:

- End User/Agency name;
- Purchase order number, if applicable;
- First and last name of employee who placed the order;
- Quantity ordered;
- Quantity shipped/backordered;
- Date ordered and date delivered;
- Description and product number for each line item;
- Unit price;
- Extended dollar amount, if applicable; and
- Invoice total.

Payment of Invoices

End Users using this contract will make payments directly to the successful vendor. Purchase orders are issued by participating entities to the vendor indicating the PSA Contract number. Invoices must be submitted by the Vendor to the End User. All invoices to be paid in full within thirty (30) days after satisfactory delivery and billing, whichever is the later. All invoices shall be submitted in accordance with the terms and conditions, and “discount from list price” percentages as stated in the contract. Invoices shall not contain work or items that are not satisfactorily completed and/or delivered.

Prompt Payment Discount

Offerors may quote additional payment discount period terms in the Prompt Payment Discount section of the Cost Proposal form. Any discount provided shall be taken on full amount of invoice. If no discount is shown, prices are to be assumed net. Discount period to be started from the date of completion of entire order or date of receipt of invoice, whichever occurs last regardless of date of invoice.

Customer Support

The successful vendor shall provide timely and accurate technical advice and sales support to PSA staff and PSA participating member entities. The vendor shall respond to such requests within one (1) working day after receipt of the request.

Specification Sheets

The vendor shall furnish “Specification Sheets” to End Users upon request, for all products under contract or have “Specification Sheets” available for view, print and/or download through their website.

Material Safety Data Sheets

The vendor shall furnish “Material Safety Data Sheets” (MSDS) to End Users upon request, for all products under contract or have MSDS available for view, print and/or download through their website.

Product Quality/Returns

All products provided under this contract shall be first quality products. The successful vendor must guarantee their products against any defect in workmanship or materials. The End User may return non-conforming or defective products to the successful vendor, at no charge to the End User, for prompt replacement with products that meet the specifications.

QUESTIONNAIRE

A brief, but complete response to each question listed below is required. Responses should be in the order given and references to additional information provided should be clear for evaluation purposes. This information shall be included in **Tab C - Vendor Technical Response to RFP Requirements and Answer to Questions** of the Vendor's proposal.

Company Information

1. Briefly describe your company's history. Indicate the number of years the company has been in business. Provide a statement of your total annual sales for the past three (3) years in the U.S.
2. Provide the company's official registered name.
3. Provide a list of distribution locations in the United States that would be used for distribution of the products in the resulting contract (if applicable).
4. If you are a manufacturer, please list your preferred U.S. distributors who will be responsible, if needed, for executing the pursuant contract to this RFP.
5. Provide a list of customer service and technical support center locations. Please specify your company's technical support/customer service normal business hours and operational capabilities.
6. Specify your company's normal business hours for acceptance of orders and providing service. Please include a listing of all holidays and other days your company's closed for business, etc.
7. How do you handle emergency needs after hours and on weekends (if applicable)?
8. What is/are the toll free number(s) and/or email address available to End Users (Members) who require technical and/or customer service support?
9. Does your company have a quality assurance plan that identifies methods by which you assure ordering, delivery, installation, compliance and follow up services for End Users precise and timely? If so, please provide details of your company's quality assurance plan.
10. Describe any current lawsuits, legal actions or governmental investigations including, but not limited to, parties of dispute and equipment affected, cause of action, jurisdiction and date.

Products and Services

1. Please describe in detail all products and services that your company intends to provide to PSA members (End Users) with regard to meeting the requirements and procurement objectives of this RFP.
2. Will all orders be processed through one master account number, so PSA can track usage and ordering history of all PSA member entities nationwide? If not, how would you handle this need?
3. Describe and special programs that your company offers that will improve End Users' ability to access products and services on-time delivery or other innovative strategies?
4. Specify typical delivery time from date of order for stocked or existing inventory of basic products/supplies? (e.g., most in-stock or existing inventory orders of products/supplies shall be delivered within 1 to 3 consecutive business days after receipt of order.)

5. Provide the daily cutoff time for next day delivery and include time-zone (if applicable).
6. If an individual member places an order and requires expedited delivery (same day or next day delivery from existing inventory, is there additional cost?
7. Specify typical delivery time from date of order for products/supplies if considered a special order item? Describe some example scenarios and provide details of what orders of particular products are considered special order items.
8. Please detail all delivery options available and any additional costs to End Users associated with delivery?
9. State your company's backorder policy. Do you fill or kill the order and require the End User to reorder if item is backordered?
10. Describe your standard return policies and time frame it takes to process return authorizations and timeframe to issue credit, including customer ordering wrong product(s), customer receiving defective product(s), etc. Furthermore, describe how problems are resolved shall they arise from such instances of incorrect product orders, damaged goods, etc.

Account Management and Marketing

1. Describe your sales and customer service policy, and include a description of how this is applied with public, government, and education agencies. How do you ensure superior customer service?
2. What specialized training do you provide for Sales and Service Representatives in order to service public sector accounts?
3. How many Sales Representatives does your company employ in the U.S.? Describe the size, organizational structure of the sales force available that will be engaged to promote, market, and sell to public, education, and government agencies under the pursuant contract?
4. Describe the company's commitment and procedures to initiate first contact with a prospective customer (Member) and follow up services to set-up a new account timely and satisfactorily.
5. Describe the company's commitment and procedures to maintain a positive relationship with current customers (Members) to ensure their current needs are met satisfactorily and what retention plans are set in motion to meet their needs in the future.
6. Does your company have Personnel/Service Representatives who can visit a customer on site when information may be needed for products and/or services, or if there are issues that need to be resolved?
7. Describe how you intend on introducing this program to your company. Please provide in detail your company's implementation, communication, and time-line plan to introduce and inform your sales/marketing staff and the Members and their respective ordering departments of the terms and benefits of the PSA contract with your company.
8. How will your company continually help drive productive collaboration of your company's personnel (all levels of the organization structure) with PSA to promote the cooperative contract to current PSA members and potential member entities, and track all utilization of the contract?
9. Provide a list of all cooperative procurement contracts (e.g., Government, State and GPO's) held by your company currently in effect.

10. Submit contact information and experience/resume of the person(s) your company proposes to serve as the Contract Administrator(s) or Manager(s) to PSA and its member entities.

Ordering and Administration

1. Describe your ordering capacity and methods of how orders can be received and processed timely and accurately (Telephone, Fax, E-mail, Secured Internet Online, EDI, e-Commerce Portal, etc.).
2. Provide details of your company's internet website in regards to the ability, willingness and to what extent your company will provide some kind of contract landing page to display PSA cooperative program information, contract details, product and service offerings, contract pricing, delivery terms, customer service/technical support and point of contact information.
3. Describe your company's e-Commerce capabilities, including details about your ability to create punch out sites and accept orders electronically (cXML, OCI, EDI, etc.). Please detail where you have integrated with a public agency's ERP (PeopleSoft, Lawson, Oracle, SAP, etc.) system in the past and include some details about the resources you have in place to support these integrations. List, by ERP provider, the following information: name of public agency, ERP system used, "go live" date, net sales per calendar year since "go live", and percentage of agency sales being processed through this connection.
4. If your company offers online ordering functions through an e-Commerce or secured internet online ordering system, will the service be provided at no charge? Also, if End Users (Members) choose to place orders via an e-Commerce or secured online ordering portal/system, can they check real time inventory availability?
5. Describe your company's internal management system for processing orders from point of customer contact through delivery and billing. Please state if you use a single system or platform for all phases of ordering, processing, delivery and billing.
6. Is your company capable of handling Electronic Funds Transfer (EFT) payment? If so, what EFT formats do you currently support?
7. Describe the capacity of your company to track, compile and submit to PSA, monthly sales reports along with the contract administrative fee for all product and services purchased under the Master PSA Contract by each participating member agency of various locations in the U.S.
8. Please provide any suggested improvements and alternatives for doing business with your company that will make this arrangement more cost effective for your company and current PSA member agencies and prospective member agencies.
9. If applicable, describe your company's ability to do business with dealer/distribution organizations that are either Historically Underutilized Businesses (HUB) or Minority and Women owned businesses (MWBE).
10. Explain how your company proposes to resolve any complaints, issues or challenges. How are customer complaints measured and categorized? Describe your problem escalation process and processes in place to know that a problem has been solved.

Warranty and Miscellaneous

1. Provide a copy and details of warranty terms, conditions, what is covered, etc. for all products offered in response to this RFP? (Offeror may include warranty exceptions such as warranty of chemicals as opposed to parts or other goods, etc.)

2. State any restocking fees and procedures for returning products.
3. Describe and list any additional costs, if any, with optional extension of warranty (e.g., provide a cost to extend warranty at time of purchase).
4. Provide information on policies, procedures and any costs to End Users associated with providing products for demonstration prior to sale (if applicable).

Environmental

1. Provide information of your company's environmental policy and/or GREEN initiatives or sustainability commitments to help minimize the impact on the Earth's climate, etc.
2. For cleaners (general purpose, bathroom, glass, hard surface, carpet and upholstery cleaners and degreasers), hand soaps, and hard floor care products (strippers, waxes, etc.), describe which products are Green Seal or EcoLogo certified. In addition provide any asthmagen screens as appropriate by product.
3. For specialty cleaning products (graffiti remover, metal polish, drain cleaners, etc.), describe which products are Green Seal, EcoLogo or DfE certified products.
4. Describe which vacuums are certified by the Carpet and Rug Institute's (CRI's) Green Label program and which carpet extractors are certified by the CRI's Seal of Approval program.
5. Describe any product offerings which incorporate products with integrated dilution control devices which ensure correct dilution ratios without the need for mixing stations.
6. Describe any product offerings which support green cleaning (high performance cleaning) practices, such as microfiber dust mops and wiping cloths, or ergonomic, low-decibel, battery-powered or high efficiency equipment, etc.
7. What is your investment in being an environmentally preferable product leader, if any?

Executive Summary

180 Marino Rd. Bryan, TX 77808

Executive Summary:

TK Sales specializes in sparkling fresh solutions to meet your facility maintenance needs! From supplying your Janitorial/Sanitary products and equipment to repairing any equipment onsite or brought to our certified warranty center. We also offer our onsite in-service training for your staff on products and equipment.

With our past experience and knowledge of what the PSA contract does for their customers and the value that we can give the PSA customers through this contract we would be a great choice as the awardee of this contract. We strive to have complete fulfillment of our customer orders and if an order is incomplete or backordered our customers are contacted immediately with information needed to complete and/or deliver the order in an expedited manor.

Currently our customer base is 80% schools, universities, and municipalities. Located in Bryan/College Station, Texas, our 15,000 square foot warehouse inventories over 4000 SKU's. This diverse product line includes sanitary paper, plastics, liners, chemicals, equipment, food service disposables, gloves, hygiene, odor control, safety and janitorial/sanitary supplies. TK Sales handles warranty work and repairs for these lines and many more.

Equipment product lines include Windsor/Karcher, Advance/Nilfisk IPC Eagle, ProTeam, SCA/ Tork, Rubbermaid, O'Cedar just to name a few!

TK Sales carries a comprehensive line of products to better service all of your needs.

Vendor Technical
Response to RFP
Requirements and
Questionnaire

QUESTIONNAIRE

A brief, but complete response to each question listed below is required. Responses should be in the order given and references to additional information provided should be clear for evaluation purposes. This information shall be included in **Tab C - Vendor Technical Response to RFP Requirements and Answer to Questions** of the Vendor's proposal.

Company Information

1. Briefly describe your company's history. Indicate the number of years the company has been in business. Provide a statement of your total annual sales for the past three (3) years in the U.S.

TK SALES has been in business since April 1999, a sole-proprietorship and a Texas certified HUB with annual sales in 2013 of \$2,219,576.19; annual sales in 2012 of \$2,400,227.59 and annual sales in 2011 of 2,438,087.82. Combined experiences of Telva and Mark Kesler with sales and service experience since 1987 in this industry while employed at Century Paper, National Sanitary Supply, Unisource and currently TK Sales providing similar services and supplies to schools, universities, colleges, churches, nursing homes, hospitals, manufacturing plants and municipalities. Knowledge in product offerings, in-service training, delivery, repair, MSDS compliance and training certification is "Providing Sparkling Fresh Solutions" for our customers.

2. Provide the company's official registered name.

Telva D. Kesler dba TK Sales

3. Provide a list of distribution locations in the United States that would be used for distribution of the products in the resulting contract (if applicable).

Our warehouse is located at 180 Marino Road, Bryan, TX 77808

4. If you are a manufacturer, please list your preferred U.S. distributors who will be responsible, if needed, for executing the pursuant contract to this RFP.

N/A

5. Provide a list of customer service and technical support center locations. Please specify your company's technical support/customer service normal business hours and operational capabilities.

Our service center is located at 180 Marino Road, Bryan, TX 77808. Operating hours are M-F 8:00 am – 5:00 pm. We do offer after hour's emergency service when needed. Our service center has capabilities to service equipment in our facilities up to 5,000-lbs.

6. Specify your company's normal business hours for acceptance of orders and providing service. Please include a listing of all holidays and other days your company's closed for business, etc.

Our warehouse is located at 180 Marino Road, Bryan, TX 77808. Operating hours are M-F 8:00 am – 5:00 pm. We do offer after hour's emergency service when needed. Holidays observed and closed for business are: New Year's Day, Memorial day, July 4th, Labor day, Thanksgiving (Thursday and Friday) Christmas eve and Christmas day.

7. How do you handle emergency needs after hours and on weekends (if applicable)?

We have an answering service with our cell phone listed as a contact. We are available for any customer needs after hours, weekends and holidays.

8. What is/are the toll free number(s) and/or email address available to End Users (Members) who require technical and/or customer service support?

Toll free phone number 888-922-5585 email address telva@tksales.net

9. Does your company have a quality assurance plan that identifies methods by which you assure ordering, delivery, installation, compliance and follow up services for End Users precise and timely? If so, please provide details of your company's quality assurance plan.

Daily we check and report on all customer and vendor orders in our DDI software system. Through this process we are able to see every orders status. Each order entered can be electronically sent to the customer immediately for confirmation allowing them to change the order before delivery. If an order is incomplete after going to the warehouse fulfillment team, we check to see if there is an item substitution of equal or greater value allowing the customer order to be complete. Our system notifies purchasing immediately allowing us to add to an existing purchase order with the appropriate vendor or place a new order to fulfill the customer order. We also contact the customer of the shortage and tell them when they should expect the fulfillment.

10. Describe any current lawsuits, legal actions or governmental investigations including, but not limited to, parties of dispute and equipment affected, cause of action, jurisdiction and date.

N/A

Products and Services

1. Please describe in detail all products and services that your company intends to provide to PSA members (End Users) with regard to meeting the requirements and procurement objectives of this RFP.

Our local warehouse has a stocking inventory of \$600,000-\$800,000 dollars of all custodial supplies, equipment and related products. Categories include aerosols, chemicals, brooms, mops, brushes, dispensers, equipment, equipment parts, office & computer paper, food service disposables, gloves, hand soaps and cleaners, restroom & hygiene products, trash liners, floor & hand pads, floor matting, safety supplies, odor control, packaging supplies, paper, sanitary maintenance supplies, and wipers. We have a 2,000 square foot service center for servicing equipment repairs and warranties. Our delivery service is provided at no charge to all customers. In-service training provided to customer employees for new products or refresher training. We can train PSA customer employees with protocols for services like restroom, classroom, floor & carpet care.

2. Will all orders be processed through one master account number, so PSA can track usage and ordering history of all PSA member entities nationwide? If not, how would you handle this need?

We code each customer account with the PSA the contract number allowing us to pull all sales by the PSA contract number which shows us all sales made under the contract number by date and customer.

2. Describe and special programs that your company offers that will improve End Users' ability to access products and services on-time delivery or other innovative strategies?

We will participate in performance reviews, getting graded on "on time" delivery completion, "back order" frequency, communication, timely response to inquiries, billing accuracy, overall satisfaction levels and "after hours" response times. Hold trade/vendor product shows for departments to attend. We have the ability to print customized order forms for the customer to use for inventory or to place supply orders. Our website allow the customer to log-in with a custom password which allows them to see their specific account and product listing and history this is also customizable as the printed form to meet their specific needs.

4. Specify typical delivery time from date of order for stocked or existing inventory of basic products/supplies? (e.g., most in-stock or existing inventory orders of products/supplies shall be delivered within 1 to 3 consecutive business days after receipt of order.)

We deliver daily M-F to the local Bryan/College Station area. Orders that are entered before 3pm will be delivered on the next day's truck; unless it is an out of town delivery. We have set days that we deliver to certain areas ex: our delivery day to Brenham, Navasota, Somerville, and Hempstead areas is Tuesday. We do however make local deliveries on the same day whenever possible.

5. Provide the daily cutoff time for next day delivery and include time-zone (if applicable).

3:00pm daily for next day delivery. Central Standard time

6. If an individual member places an order and requires expedited delivery (same day or next day delivery from existing inventory, is there additional cost?

The only time our customer will be charged shipping or freight charges is when the customer request and overnight or expedited deliver from our manufacturers. We only pass on the direct cost of the charge from the manufacturer.

7. Specify typical delivery time from date of order for products/supplies if considered a special order item? Describe some example scenarios and provide details of what orders of particular products are considered special order items.

If a customer request an item that is a non-stock item on their order, our procedure is to first call the manufacturer for cost and availability. We call our customer back with the options available from the manufacturer or distributor. After making sure that the customer understands the entire cost and expected delivery from the manufacturer we try our best to get the special order item delivered the same or next day that it arrives in our warehouse.

8. Please detail all delivery options available and any additional costs to End Users associated with delivery?

There is no cost for delivery to our customers on our local delivery truck. The only time a customer is charged shipping or freight charge is if they request a special delivery method from a manufacturer such as overnight.

9. State your company's backorder policy. Do you fill or kill the order and require the End User to reorder if item is backordered?

We do auto-fill backorders on most of our customer orders. However our system allows us to have the customer coded to receive backorders or cancel backorders. When a customer account is created this is one of many questions that we ask the customer to make sure that we are servicing their needs as they require.

10. Describe your standard return policies and time frame it takes to process return authorizations and timeframe to issue credit, including customer ordering wrong product(s), customer receiving defective product(s), etc. Furthermore, describe how problems are resolved shall they arise from such instances of incorrect product orders, damaged goods, etc.

All stock items returned in resalable condition and original packaging will be credited 100% as purchased on original invoice, if not paid. If paid a credit will be issued and applied as customer requests. Non-Stock items purchased from a vendor that charges a re-stocking fee, the fee will be passed on including any return freight charges.

Account Management and Marketing

1. Describe your sales and customer service policy, and include a description of how this is applied with public, government, and education agencies. How do you ensure superior customer service?

TK Sales provides a stocking local location at 180 Marino Rd., Bryan, TX with M-F 8:00am-5:00pm standard hours and 24-hour 7-days/week availability by phone or appointment. We will provide delivery service to all customers with no minimum order size. Identify items and quantities of products to stock adequate levels for "no-out" service. Provide customized order forms for each customer, along with a large list of core items available to make routine ordering easier. Provide bilingual personnel for "spoken or written" needs. Complete and accurate billing adhering to customers and PSA needs and requirements will be provided. In-service training provided to employees for new products or refresher training. We can train PSA customer employees with protocols for services like restroom, classroom and carpet cleaning. Training available on hard floor stripping and waxing, daily maintenance and restoration procedures also introduce products that will lower labor cost ex: more productive equipment shortening the task time currently used. Help implement Green products where required. Our product knowledge could allow us to help test new products for evaluation. We will make sales/service calls on each department at regular intervals. We will continue to work with manufacturers to reduce our cost for goods enabling us to pass on savings to them. Provide decontamination/disinfection certification for custodians. Participate in performance reviews, getting graded on "on-time" delivery completion, "back orders" frequency, communication, timely response to inquiries, billing accuracy, overall satisfaction levels and "after hours" response times. Hold trade/vendor product shows for departments to attend. Our online catalog will also be available for all customers with custom log-on passwords allowing them special access to their account information.

2. What specialized training do you provide for Sales and Service Representatives in order to service public sector accounts?

Our sales representatives receive training from our manufacturers including product knowledge, application and safety procedures, which allow them to effectively show and train our customers in the proper application or performance of each product. We also send representatives to sales training and certification school available by manufacturers.

3. How many Sales Representatives does your company employ in the U.S.? Describe the size, organizational structure of the sales force available that will be engaged to promote, market, and sell to public, education, and government agencies under the pursuant contract?

We currently have 3-outside sales representatives all located out of our Bryan/College Station office. We have 2-inside customer service representatives.

3. Describe the company's commitment and procedures to initiate first contact with a prospective customer (Member) and follow up services to set-up a new account timely and satisfactorily.

Create and send e-mail blast to each PSA member introducing our company as the awardee of the new Custodial supply RFP. Our customer service team will call and introduce our company to the PSA member asking if they had time for one of our representatives to speak to them about their custodial needs and how they could be serviced through the PSA contract.

4. Describe the company's commitment and procedures to maintain a positive relationship with current customers (Members) to ensure their current needs are met satisfactorily and what retention plans are set in motion to meet their needs in the future.

Continue to communicate to the customer our expanding product line and showing them how they could benefit by using the PSA contract to meet their facility needs. Make timely response to the customer request is paramount.

5. Does your company have Personnel/Service Representatives who can visit a customer on site when information may be needed for products and/or services, or if there are issues that need to be resolved?

Yes we do visit on-site all of our customers and respond to their request as quickly as possible.

6. Describe how you intend on introducing this program to your company. Please provide in detail your company's implementation, communication, and time-line plan to introduce and inform your sales/marketing staff and the Members and their respective ordering departments of the terms and benefits of the PSA contract with your company.

Our team is very aware of the PSA program and the benefits to the customer (member) in using the contract. Our team will progressively introduce the PSA contract to any customer that could participate in the program. Any new team member is trained in the process of creating a new PSA member and contract participation.

7. How will your company continually help drive productive collaboration of your company's personnel (all levels of the organization structure) with PSA to promote the cooperative contract to current PSA members and potential member entities, and track all utilization of the contract?

By having PSA contract information a integrate part of our website all visiting and potential customers are able to see and understand what PSA is and who it could benefit their organization. At Trade shows we make sure that PSA is a leading part of our presentations. Communicate with the PSA staff to get new member information allowing us to introduce ourselves to the new member and our offerings to help them in their daily purchasing needs.

8. Provide a list of all cooperative procurement contracts (e.g., Government, State and GPO's) held by your company currently in effect.

We participate with Region 5-cooperative, Region 7-cooperative, several TXMAS equipment contracts and a GSA contract partnering with Great Falls Paper out of Montanna.

9. Submit contact information and experience/resume of the person(s) your company proposes to serve as the Contract Administrator(s) or Manager(s) to PSA and its member entities.

See attached resumes

Ordering and Administration

1. Describe your ordering capacity and methods of how orders can be received and processed timely and accurately (Telephone, Fax, E-mail, Secured Internet Online, EDI, e-Commerce Portal, etc.).

Customer service enters orders as they receive them by phone, fax, email, internet orders. The order is processed by first using the customer sales/quote history checking pricing for accuracy. If the order is received by phone the order is recited back to the customer to assure accuracy, if the order if emailed, faxed or internet the order is entered and checked after entry for accuracy. When an order if received and there are questions about an item or quantity the customer is contracted immediately to resolve the question before completing the order. Once an order is entered into our DDI system a sales confirmation is sent to the customer for review if the account is coded for that feature. The order is now ready for warehouse fulfillment and delivery.

2. Provide details of your company's internet website in regards to the ability, willingness and to what extent your company will provide some kind of contract landing page to display PSA cooperative program information, contract details, product and service offerings, contract pricing, delivery terms, customer service/technical support and point of contact information.

We promote PSA on the front page of our website with a link directly to PSA allowing visitors to learn more about all of the PSA contracts available to them. PSA links are also on our welcome area and every page of our website to assure that all customers are aware of the contract availability and advantages

3. Describe your company's e-Commerce capabilities, including details about your ability to create punch out sites and accept orders electronically (cXML, OCI, EDI, etc.). Please detail where you have integrated with a public agency's ERP (PeopleSoft, Lawson, Oracle, SAP, etc.) system in the past and include some details about the resources you have in place to support these integrations. List, by ERP provider, the following information: name of public agency, ERP system used, "go live" date, net sales per calendar year since "go live", and percentage of agency sales being processed through this connection.

N/A we do not have this type of capabilities at this time. However if there are enough PSA members that require this service we would be more than happy to check out the possibilities of implementation of this service.

4. If your company offers online ordering functions through an e-Commerce or secured internet online ordering system, will the service be provided at no charge? Also, if End Users (Members) choose to place orders via an e-Commerce or secured online ordering portal/system, can they check real time inventory availability?

We do offer internet ordering through our online store. This is a no charge offering. Our DDI system does have the capability of allowing the customer a secure log-on allowing them to see their account information including contract pricing and product availability.

5. Describe your company's internal management system for processing orders from point of customer contact through delivery and billing. Please state if you use a single system or platform for all phases of ordering, processing, delivery and billing.

Customer service enters orders as they receive them by phone, fax, email, internet orders. The order is processed by first using the customer sales/quote history checking pricing for accuracy. If the order is received by phone the order is recited back to the customer to assure accuracy, if the order is emailed, faxed or internet the order is entered and checked after entry for accuracy. When an order is received and there are questions about an item or quantity the customer is contacted immediately to resolve the question before completing the order. Once an order is entered into our DDI system a sales confirmation is sent to the customer for review if the account is coded for that feature. The order is now ready for warehouse fulfillment, the order goes to the warehouse to be pulled, once pulled the order is checked for accuracy before a ship confirmation is printed, after printing the ship confirmation the order is now routed for delivery. Once the order is routed for delivery it will be placed on the next delivery truck for the designated customer area, signed delivery confirmation are brought into the office daily for the order to be processed by our customer service team invoicing. Orders are invoiced daily and system delivered by email, fax or mail. Our DDI system is a single system platform allowing us to only have to use one system with reduces errors.

6. Is your company capable of handling Electronic Funds Transfer (EFT) payment? If so, what EFT formats do you currently support?

We have several customers that direct deposit funds to us for their invoice payments. We also use credit card and procurement cards for payments.

7. Describe the capacity of your company to track, compile and submit to PSA, monthly sales reports along with the contract administrative fee for all product and services purchased under the Master PSA Contract by each participating member agency of various locations in the U.S.

On the first of each month our system generates a prior monthly report of all sales made using the PSA contract. This report is then exported to an Excel spreadsheet which we use to calculate the monthly commission statement for the PSA sales. A check is cut to PSA for the commission amount and a copy of the check and spreadsheet is forwarded via email to the PSA staff the day the check is mailed.

8. Please provide any suggested improvements and alternatives for doing business with your company that will make this arrangement more cost effective for your company and current PSA member agencies and prospective member agencies.

Education of the members of the process of the contract is the most effective way to increase customer awareness. I find that most customers sometimes do not really understand the entire concept of a cooperative contract. Getting them to understand that they are not forced to use the contract and that by using the contract it expands their purchasing options and allows them to get a better product or service for a better value, pricing is not the best value always.

9. If applicable, describe your company's ability to do business with dealer/distribution organizations that are either Historically Underutilized Businesses (HUB) or Minority and Women owned businesses (MWBE).

TK Sales is a 100% Texas HUB, woman owned business. All purchases from our company will count for agency purchasing from us.

10. Explain how your company proposes to resolve any complaints, issues or challenges. How are customer complaints measured and categorized? Describe your problem escalation process and processes in place to know that a problem has been solved.

If a customer complaint is received the customer is immediately contacted by one of our customer service representatives to obtain all information pertaining about the complaint. This information is then investigated against our customer file information checking for any discrepancies, this is now shared with the manager and/or owner for a decision to be made on how to resolve the complaint. The customer is contacted by phone for an in person meeting if possible to resolve the issue. We strive for zero complaints however we understand that this could happen and must be dealt with immediately. After a complaint has been resolved, the customer is contacted by one of our managers to check the resolution satisfaction.

Warranty and Miscellaneous

1. Provide a copy and details of warranty terms, conditions, what is covered, etc. for all products offered in response to this RFP? (Offeror may include warranty exceptions such as warranty of chemicals as opposed to parts or other goods, etc.)

tab-0

Each manufacturer has different warranty terms and conditions. TK Sales follows all manufacturers terms and conditions providing our customers the best service available. I have attached a copy of the Windsor warranty terms as an example. However because we service many makes and models of equipment I am not able to attach all warranty terms.

2. State any restocking fees and procedures for returning products.

If a customer orders a part that is incorrect by giving us the part number and the product needs to be returned to the manufacturer we charge only the percent charged by the manufacturer to the customer and the return shipping charges. If the part can be used by our service center, no restocking fee if charged and customer receives a full credit.

3. Describe and list any additional costs, if any, with optional extension of warranty (e.g., provide a cost to extend warranty at time of purchase).

If the manufacturer offers an extended warranty on the item purchased the cost listed on the manufacturers price list is used. PSA discounts apply if applicable.

4. Provide information on policies, procedures and any costs to End Users associated with providing products for demonstration prior to sale (if applicable).

No charge to customer for demonstration of products and services.

Environmental

1. Provide information of your company's environmental policy and/or GREEN initiatives or sustainability commitments to help minimize the impact on the Earth's climate, etc.

TK Sales stocks several lines of "green" products for our customers. We first ask the customer what their goals are by introducing "green" into their facility and find the best item or product to meet the customer needs.

2. For cleaners (general purpose, bathroom, glass, hard surface, carpet and upholstery cleaners and degreasers), hand soaps, and hard floor care products (strippers, waxes, etc.), describe which products are Green Seal or EcoLogo certified. In addition provide any asthmagens screens as appropriate by product.

Eco Concepts, Inc. is probably the most popular green product line offered. They have the highest standards of green compliance on the market. See attached information.

tab 0

3. For specialty cleaning products (graffiti remover, metal polish, drain cleaners, etc.), describe which products are Green Seal, EcoLogo or DfE certified products.

Misco Elements product line is probably the best for specialty green products. See attached tab 0 informaiotn on their Bio Gel Graffiti remover.

4. Describe which vacuums are certified by the Carpet and Rug Institute's (CRI's) Green Label program and which carpet extractors are certified by the CRI's Seal of Approval program.

TK Sales offers several equipment lines that have vacuums that are certified by CRI. Windsor NuWave, Chariot, Flexamatic, VacPac, Sensor and Versamatic, Advance Spectrum, VU500, Adgility backpack, and CarpetTrieve, ProTeam vacuums, CleanMax series

5. Describe any product offerings which incorporate products with integrated dilution control devices which ensure correct dilution ratios without the need for mixing stations.

NCL (National Chemical Laboratories) Twin Power system, Misco ProFlo system, Chemical Universe Lock-N-Load all of these systems have a complete line of products to serve any facility maintenance needs.

6. Describe any product offerings which support green cleaning (high performance cleaning) practices, such as microfiber dust mops and wiping cloths, or ergonomic, low-decibel, battery-powered or high efficiency equipment, etc.

TuWay, O'Cedar, Zephyr, Unger, Rubbermaid, CPI and Fil-Mop to name a few lines stocked in our local warehouse have a complete line of microfiber products and ergonomic items. All of our equipment manufactures offer low-decibel, battery and high efficiency equipment to meet any facility needs or wants.

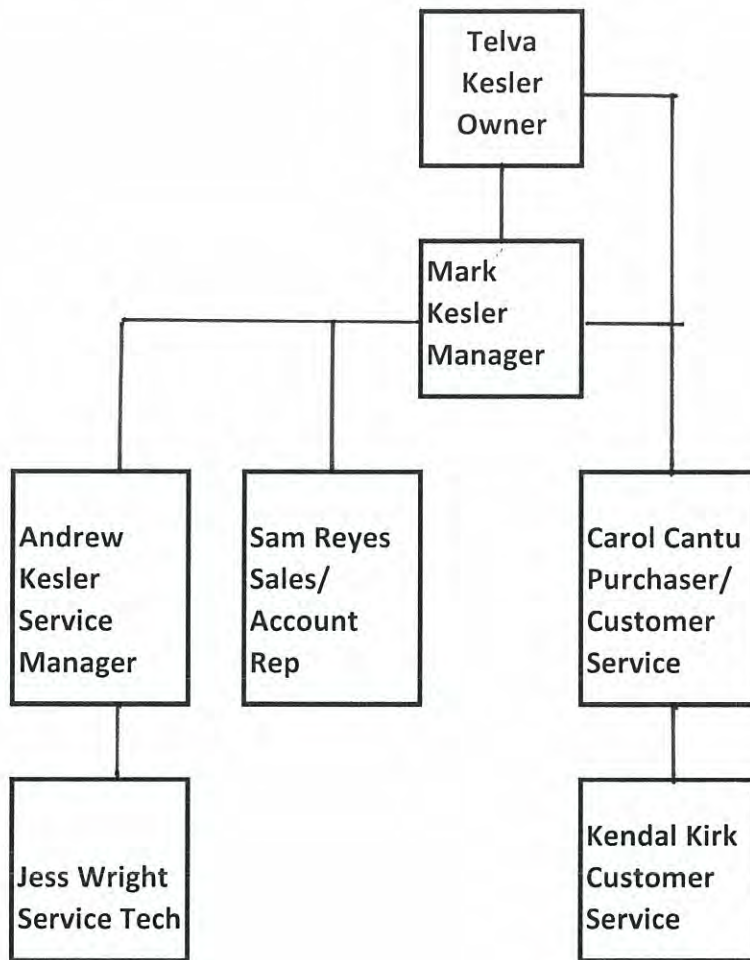

7. What is your investment in being an environmentally preferable product leader, if any?

TK Sales tries to stay abreast of industry standards and new innovations brought to the market by our vendor/manufacturer suppliers. We annually attend a vendor conference with other distributors visiting manufacturers to obtain the new information on current and upcoming products and items to offer our customers. During the conference we network with other distributors across the US learning and sharing their and our knowledge about these vendor/manufacturers and customer needs and request. We also subscribe to publications that have informative information. Attending webinars and seminars also gives us insight to new innovations.

Cost Proposal

Cost Proposal Form #2

TK Price Catalog

Purchasing Solutions Alliance**FORM No. 2 - COST PROPOSAL****Solicitation # : 14-101 "Custodial Supplies, Equipment, Related Products, Services and Solutions"****Company Name:** TK Sales**Instructions and information for completing the Cost Proposal form:**

Offerors are to provide necessary information and pricing for the products and services specified and requested for all sections of this form. Offerors may insert additional blank spaces, rows, and columns or increase spacing of any existing rows and/or columns provided as necessary for proposed product/service offerings throughout the entire Cost Proposal sheets.

The form requests pricing and costs of products (supplies, equipment, accessories, etc.), related services (equipment maintenance and repair, training, etc.), and solutions (product dispenser programs). Additionally, Offerors may offer percentage discounts per specific Manufacturer product lines or by means of individual categories of products and/or services, if applicable. Product pricing shall be based on discount from a manufacturer's published list price. In some cases, it may be suitable to propose "cost plus" for pricing of products per particular manufacturer product line offerings. Related services (maintenance, repair or training, etc.) shall be itemized and include all costs, including but not limited to hourly rates, service fees or labor costs, where applicable.

Offerors are encouraged to propose a complete product list offering with competitive discount schedules and/or best available pricing available that they most commonly offer and sell to government, public and education agencies. Offerors may offer a robust Core List or full Catalog of frequently purchased products (supplies, equipment, accessories, etc.) to be offered to PSA and its members as part of the contract. In addition, Offerors may propose options of alternate pricing scenarios that will allow PSA member participants to customize/determine their own Core List(s) of items to best service their organizational needs, with the deepest discounts available. Any participants that may opt for this customizable program will receive these prices in writing and follow the same pricing structure or better than under the master contract between PSA and vendor.

Non-catalog, non-core list and/or off-contract items will be priced by the successful vendor as aggressively and competitively as possible. Such items which are also not featured on the successful vendor's online ordering website shall be priced in advance of order approval and shall be based on the most appropriate, best available discounts vendor can offer to PSA member entities.

All prices shall be "F.O.B. to customer's destination, freight prepaid and allowed". Responsibility and liability for loss and/or damage pass to End User at the delivery destination after receipt and acceptance have taken place. If additional shipping or deliver fees apply in some cases for orders considered an special order item, please indicate this in writing.

PSA has the right to award to multiple companies/vendors supplying comparable products or items, also known as a multiple award schedule, but reserves the right to make a single award to the highest ranked Offeror.

*** Further essential information, requirements and specifications concerning the products and services solicited in this cost proposal form can be found in the RFP document. Please refer to the "Specifications and Scope of Services" section of the RFP before completing the cost proposal form. ***

[illegible]

Method of Payment

Payment Terms:

Invoices must be submitted by the Vendor to the End User. All invoices to be paid in full within thirty (30) days after satisfactory delivery and billing, whichever is the later. All invoices shall be submitted in accordance with the terms and conditions, and "discount from list price" percentages as stated in the contract. Invoices shall not contain work or items that are not satisfactorily completed and/or delivered.

Prompt Payment Discount:

Offerors may quote additional payment discount period terms in the spaces provided below. Any discount provided shall be taken on full amount of invoice. If no discount is shown, prices are to be assumed net. Discount period to be started from the date of completion of entire order or date of receipt of invoice, whichever occurs last regardless of date of invoice.

Additional discount from invoice	1	% NET 10 days (e.g., 1%, 2%, 5%).

Delivery of Products

Delivery (specify):

Cost proposals, including all line item prices and discounts from list price shall include shipping costs (unless otherwise stated in writing that some conditions may apply, e.g. special orders, rushed/expedited delivery, etc.). All items shall be shipped F.O.B. Destination - full freight prepaid and allowed. End User's assume no liability of goods delivered in a damaged or unacceptable condition.

Most orders (e.g., in-stock or existing inventory) shall be delivered within 1-2 consecutive business days after receipt of order.

Products considered as a special order item shall be delivered within 2-5 consecutive business days after receipt of order.

End user Service Agreement

180 Marino Rd. Bryan, TX 77808

End User Service Agreement

TK Sales works with several manufacturers that offer dispensers for product used. These End User agreements allow the customer to receive no charge dispensers and installation for their facilities for a specified time period, working with the manufacturer to a competitive price. Time period for these agreements range from 1-5 years depending on the customer and vendor needs.

See attached example

SCA Tork Advantage

Dispenser Lease Agreement:

Start Date: 08/01/2014

End Date: 07/31/2019

Agreement # (if applicable): 45057770

Thank you for choosing SCA TorkSelect™ dispensers and Tork® refills for your facilities!

You have selected the winning solution for enhanced image, performance, hygiene and cost savings.

To indicate your acceptance of this SCA Tork Advantage Dispenser Agreement, including the general terms and conditions, please sign below.

Your company (the "End Customer") will continue to use the dispensers with Tork branded refills for the term set forth in this Agreement.

If you choose to discontinue use of TorkSelect products before the end of the Agreement, you agree to reimburse SCA within 30 days for any Tork dispensers you remove or stop refilling with Tork products and SCA may demand the return of the dispensers.

- Reimbursement rates (per dispenser) are as follows:
 - Xpressnap® branded tabletop dispensers - \$10
 - Electronic towel dispensers - \$50
 - All other TorkSelect dispensers - \$25
- All costs incurred in removing the dispensers and restoring your property to its original condition shall be your responsibility.

SCA guarantees the performance of its dispensers. If there is a defect with one of our dispensers supplied under this Agreement during the first five years following delivery, SCA will repair or replace the dispenser free of charge, provided that the dispenser was properly installed, utilized as directed, and supplied continuously with Tork products. SCA cannot accept responsibility for the results of misuse or vandalism.

If you discontinue use of Tork products in the dispenser for any reason after the term of this Agreement, SCA may demand the return of the dispensers and all costs incurred in removing the dispenser and restoring your property to its original condition shall be your responsibility.

SCA shall retain ownership of the Tork dispensers supplied under this Agreement.

NOTE: Agreements not signed within 45 days of document created date will be cancelled.

SCA Tork Advantage

TORK ADVANTAGE GENERAL TERMS & CONDITIONS

- 1. ENTIRE AGREEMENT:** This Dispenser Lease Agreement together with these General Terms and Conditions (together, the "Agreement") constitute the entire Agreement between the parties regarding the subject matter and supersedes all prior Agreements, whether oral or written, regarding such subject matter. No change in, or departure from the provisions of this Agreement shall be valid unless approved in writing by SCA. No course of dealing or usage of trade shall be applicable to the Agreement.
- 2. OWNERSHIP:** The dispensers (the "Dispensers") loaned or subleased by SCA or its Distributor under this Agreement shall remain the property of SCA. The End Customer shall use the Dispensers strictly in accordance with the terms of this Agreement and shall not loan, lease, sell, pledge, mortgage, use as collateral or otherwise dispose of the Dispensers. The End Customer shall permit SCA and its distributors and their agents to have access to the Dispensers during regular business hours for the purpose of inspecting, repairing, modifying, exchanging, or removing the Dispensers. The End Customer acknowledges and agrees that Dispensers shall not become fixtures and shall take such steps as SCA may reasonably request to protect SCA's ownership interest in the Dispensers.
- 3. RESTRICTED USE:** The End Customer shall use the Dispensers solely for the purpose of dispensing, under SCA trademarks, SCA products, including SCA's TorkSelect® products (collectively, "SCA Products"). The use of any products in the Dispensers other than SCA Products is strictly prohibited. The End Customer shall not remove or permit others to remove from the Dispensers any parts, labels, trademarks, names, logos, or other markings, or to tamper with, alter, or add devices to the Dispensers in any manner whatsoever.
- 4. WARRANTY; REMEDIES; LIMITATION OF DAMAGES:** OTHER THAN THE LIMITED WARRANTY/GUARANTY EXPRESSLY SET FORTH IN THIS AGREEMENT, SCA AND ITS DISTRIBUTOR DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE DISPENSERS. Upon discovery of any defect subject to this limited warranty/guaranty, the end customer must immediately report to SCA or its distributor the nature of the defect(s) and the location of the defective dispenser(s). If SCA determines that defects in workmanship or material exist in any Dispenser, SCA shall, at its option, either repair the defects or replace the Dispenser. The End Customer expressly acknowledges and agrees that the remedies stated herein are the sole and exclusive remedies to which the End Customer is entitled for defects in material or workmanship under the limited warranty/guaranty. The End Customer agrees that it shall be responsible for all maintenance and repair of the Dispensers and all costs and expenses related thereto other than items covered by the limited warranty/guaranty. Neither SCA nor its Distributor shall be liable for any losses, damages, costs or expenses resulting from improper installation, improper use, vandalism or abuse of the Dispensers and the warranty/guaranty shall be voided in the event the End Customer uses products other than SCA Products in the Dispensers. In no event shall either SCA or its Distributor be liable to the End Customer for indirect, consequential, incidental, special or punitive damages, including but not limited to lost profits.
- 5. REPOSSESSION:** Within thirty (30) days of demand by SCA, the End Customer shall permit SCA, its distributor, or their agents to enter the End Customer's premises during regular business hours and remove the Dispensers at SCA's or its distributor's expense.
- 6. GOVERNING LAW:** This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania, without regard to the conflict of laws principles.
- 7. ASSIGNMENT:** The End Customer may not assign its rights or obligations under the Agreement without prior written consent of SCA.

Purchasing Solutions Alliance

a purchasing cooperative for public agencies

FOR IMMEDIATE RELEASE

Purchasing Solutions Alliance Awards Custodial Supplies, Equipment and Services Contract.

TK Sales has been selected to provide Custodial Supplies, Equipment and Services to Government and Education Agencies.

Bryan, Texas, Date of Contract here- Purchasing Solutions Alliance (PSA) is pleased to announce that TK Sales has been awarded Contract No. 14-101 for Custodial Supplies, Equipment and Services. The contract is available for use by public agencies effective immediately and includes the following products and services.

- Custodial Supplies;
- Custodial Equipment;
- Equipment Repair and Maintenance Services; and
- Training, Consulting and Other Services.

Cities, Counties, Special Districts, Political Subdivisions, K-12 School Districts, Colleges/Universities and Nonprofit Agencies can execute an Interlocal Purchasing Agreement to utilize this competitively bid contract. Membership with PSA is available at no cost.

About Purchasing Solutions Alliance

PSA is a purchasing cooperative for public agencies. The purpose of PSA is to identify qualified vendors of goods and services, comply with state bidding requirements, and relieve the burdens of governmental purchasing by realizing economies of scale. PSA operates under the Brazos Valley Council of Governments in Bryan, Texas. For more information about PSA, please visit www.psabuy.org or call +1-979-595-2801, Ext. 2034.

About TK Sales

TK Sales is a Historically Underutilized Business (HUB) located in Bryan, Texas. They are your one stop shop solution for custodial and janitorial supplies, equipment, paper goods, and equipment services. TK Sales offer's a great variety of quality products and services that are second to none. TK Sales serves the specific needs of every customer and fully understands that each situation and facility is unique. For more information, please visit www.tksales.net or call +1-979-778-8555 or toll free at +1-888-922-5585

About TK Sales:

- HUB (Historically underutilized business)
- Serving the public since 1987
- On time delivery
- Consulting/ training
- Proactive stocking program for frequently used items
- Training on-site for equipment and products purchased
- On-site professional instructor
- On-site evaluations
- Hard floor & Carpet specialists

We at TK sales strive to train and educate your entire facility. With training and education, your facility's efficiency will dramatically improve. You will see immediate results in your staff and their performance throughout their daily routine. The proper choice of sanitizing products used properly will have a measurable cost savings and improve the work environments for all.

TK Sales can assist you on improving the efficiency and cost savings of your facilities today and into the future. Request a full analysis of your facility.

Mark Kesler is our resident environmental management consultant; call today to make an appointment for a complementary inspection of your facility.

MRSA (Methicillin-resistant

Staphylococcus Aureus) –

MRSA is a type of staph that is resistant to antibiotics called beta-lactams. Beta-lactam antibiotics include methicillin and other more common antibiotics such as oxacillin, penicillin and amoxicillin. While 25% to 30% of the population is colonized with staph, approximately 1% is colonized with MRSA.

Who gets staph or MRSA infections?

Staph infections, including MRSA, occur most frequently among persons in hospitals and healthcare facilities (such as nursing homes and dialysis centers) who have weakened immune systems. These healthcare-associated staph infections include surgical wound infections, urinary tract infections, bloodstream infections, and pneumonia.

How can I prevent staph or MRSA skin infections?

Practice good cleaning & hygiene.

Socomial Infections –

There are widespread and growing concerns about the variable and too often inadequate quality of health care in the United States. As a result, health care quality is being questioned and subjected to scrutiny as never before. Awareness of the quality deficits, combined with rising health care expenditures and changing attitudes of payers and consumers, has given rise to a nascent but growing quality improvement movement.

Multiple barriers must be surmounted by this movement, but substantive work is under way on all fronts. Emergency medicine will definitely be affected by the quality improvement movement and should quickly move forward to define and establish performance measures for high quality emergency care in an era when chronic disease dominates the agenda. Emergency medicine should also aggressively work to operationalize a culture of quality to minimize medical errors, to practice evidence-based medicine, to translate research results into clinical practice in a timely manner, and to establish accountability mechanisms for quality improvement and clinical excellence. Key words: quality; health care; emergency medicine.

ACADEMIC EMERGENCY MEDICINE 2002; 9: 1078–1084.

Department of Health and Human Services Centers for Disease Control and Prevention. United States. 3 Feb. 2005. 18 June 2005.

telva@tksales.net

180 Marino Rd. Bryan, TX 77808

Marketing Plan and Resources:

- A. TK Sales customer base is approximately 80% public schools, universities and municipalities. We currently participate in several trade organizations supported by these entities; ex: CMAT- Custodial Management Association of Texas, TASBO- Texas Association of School Board Officials to name a few. Our contact list includes all school districts for all regions of Texas which we will e-mail along with all existing PSA members an approved press release of our acceptance by PSA as an approved vendor. We will provide PSA with sales flyers, promotional items and updated web site information for PSA. TK Sales staff will contact all PSA members to market our product line and visit in person any member that would like to take time for us to show them our offering. Our staff is also available for joint calls with PSA officials when requested.
- B. Education, government and non-profit custodial departments are all under budget restraints and are being asked or told to get the job done with less money! TK Sales will work with each department to help identify areas where improvements can be made: Equipment repairs, Processes evaluation, Budget issues, Equipment evaluation, Team cleaning, Specialty training, Worker knowledge, Employee retention, Adequate FTE staffing, Employee motivation, Worker's comp claim reduction, Green products and procedures, reduction of task times and Safety.

Essentially we are helping management put together a comprehensive plan to solve staffing issues, work with budgets, productivity and evaluation of products. Cleaning for safe environment and worker safety always in mind.

PSA Administrative Fee

DDI System example of Who Bought What Report

Excel Spreadsheet example

PSA Administration Fee:

On the first of each month using our DDI system we generate a prior monthly report of all sales made using the PSA contract. This report is then exported to an Excel spreadsheet which we use to calculate the monthly commission statement for the PSA sales. A check is cut to PSA for the commission amount and a copy of the check and spreadsheet is forwarded via email to the PSA staff the day the check is mailed.

Conflict of Interest
Questionnaire

CONFLICT OF INTEREST QUESTIONNAIRE

FORM CIQ

For vendor or other person doing business with local governmental entity

This questionnaire reflects changes made to the law by H.B. 1491, 80th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code by a person who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the person meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the person becomes aware of facts that require the statement to be filed. See Section 176.006, Local Government Code.

A person commits an offense if the person knowingly violates Section 176.006, Local Government Code. An offense under this section is a Class C misdemeanor.

OFFICE USE ONLY

Date Received

1 Name of person who has a business relationship with local governmental entity.

Telva Kesler

2 ☒ Check this box if you are filing an update to a previously filed questionnaire.

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date the originally filed questionnaire becomes incomplete or inaccurate.)

3 Name of local government officer with whom filer has employment or business relationship.

Michael Lucas

Name of Officer

This section (item 3 including subparts A, B, C & D) must be completed for each officer with whom the filer has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the filer of the questionnaire?

☐

Yes

☒

No

B. Is the filer of the questionnaire receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐

Yes

☒

No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of 10 percent or more?

☐

Yes

☒

No

D. Describe each employment or business relationship with the local government officer named in this section.

Question and Answers for Bid #14-101 - Custodial Supplies, Equipment, Related Products, Services and Solutions

OVERALL BID QUESTIONS

Question 1

How many delivery locations are there for the products listed in the bid? **(Submitted: Oct 2, 2014 4:54:10 PM CDT)**

Answer

- This is a Request for Proposals (RFP) solicitation with the intent to enter into a cooperative contract with the successful Offeror(s) in which the contract will be promoted and offered nationwide (if possible) to current and prospective member agencies of PSA. The current contract is a regional contract with less than 5 delivery locations at any given time within the Brazos Valley Region (7 county region) and some surrounding areas within an approximate 100 mile radius of Bryan, Texas. Our membership base of the cooperative purchasing program has seen significant growth in various states of the U.S. over the past few years, and the objective of this RFP is to establish a new contract with the successful Supplier(s) to offer products and service the needs of member agencies located within and outside the state of Texas. Please refer to page 3 of the RFP document for more background and general proposal information.

A number of products and services were listed in the Cost Proposal form (Form No. 2) to the RFP as samples for completing the Cost Proposal form. Offerors may propose and price those items included in their total catalog offering, as the BVCOG purchases such products/services frequently. We do not know exact quantity and/or the variety of products our member agencies will potentially purchase. The intent is for Offerors/Suppliers to submit their complete line of Custodial Supplies, Equipment and Custodial Related Products, Services and Solutions so that PSA/BVCOG and participating public agencies may order a wide array of products, services and solutions as appropriate for their needs. **(Answered: Oct 6, 2014 11:27:32 AM CDT)**

Question 2

Can you give us estimated usage on the liners listed in the bid: how many delivery locations, about how often are orders placed, and approximately how many cases are ordered at a time of each of the liners listed in the bid? **(Submitted: Oct 2, 2014 4:55:21 PM CDT)**

Answer

- Products listed in the Cost Proposal form (Form No. 2) to the RFP are provided as samples of products the BVCOG uses/purchases.

Liner 24x33 .5mil White estimated usage by the BVCOG is quantity of 7 cases of 500 during the past 9 months (calendar year to date), to a single delivery location. Typically, 1 case is ordered at a time.

Liner 38x58 .9mil White estimated usage by the BVCOG is quantity of 33 cases of 100 during the past 9 months (calendar year to date), to a single delivery location. Typically, 3 cases are ordered at a time. **(Answered: Oct 6, 2014 11:27:32 AM CDT)**

Question 3

Is this a one vendor or multiple vendor bid?

Can you supply us with current pricing and vendors for the liners? **(Submitted: Oct 2, 2014 4:55:59 PM CDT)**

Answer

- PSA/BVCOG has the right to award to multiple companies supplying comparable products or items, also known as a multiple award schedule, but reserves the right to make a single award to the highest ranked Offeror.

Liner 24x33 .5mil White: \$21.56/CS (500/Cs); vendor is TK Sales.

Liner 38x58 .9mil White: \$20.53/CS (100/Cs); vendor is TK Sales. **(Answered: Oct 6, 2014 11:27:32 AM CDT)**

Question 4

Can you supply us with the following information on the gloves:

What is the current pricing and name of vendor(s) for the gloves.

What kind of gloves are currently being purchased?

How many delivery locations are there for the gloves?

Based on past ordering history, can you tell us about how often orders are placed for the gloves, and approximately how many boxes or cases are ordered at a time? **(Submitted: Oct 2, 2014 5:00:19 PM CDT)**

Answer

- We do not currently purchase any gloves. **(Answered: Oct 6, 2014 11:27:32 AM CDT)**

Question Deadline: Oct 14, 2014 5:00:00 PM CDT

North American New Machine Warranty

Effective on all products shipped *AFTER* February 1, 2013

Bold Innovation. Expert Results.

Limited Warranty

Windsor warrants new machines against defects in material and workmanship under normal use and service to the original purchaser. Any statutory implied warranties, including any warranty of merchantability or fitness for a particular purpose, are expressly limited to the duration of this written warranty. Windsor will not be liable for any other damages, including but not limited to indirect or special consequential damages arising out of or in connection with the furnishing, performance, use or inability to use the machine. This remedy shall be the exclusive remedy of the buyer. The warranty period is subject to the conditions stated below.

10 / 3 Warranty: 10 Years Polyethylene (PE) Housings, 3 Years Parts, and Service Labor

Subject to conditions outlined below, Windsor warrants rotationally molded PE housings and parts on all of its machines to be free from defects in material and workmanship, under normal use and service for ten (10) years to the original owner.

Under this warranty we guarantee the performance of non-polyethylene parts and components to be free from defects for up to three (3) years to the original end user. Parts replaced or repaired under this warranty are guaranteed for the remainder of the original warranty period. (See table below)

Service labor charges are covered for up to three (3) years from the date of purchase through authorized Windsor service provider. No travel coverage is extended for cord-electric models. See table below for each general product model warranty coverage.

Upright Vacuums:

Product	Non- PE Parts	Service Labor
Versamatic®/Flexamatic®/Access	Belts	Lifetime
	Vacuum Motor, Swivel Neck and Chassis	3 years
	Brush Motor, and Bag Housing	5 years
Sensor®	Belts	Lifetime
	Vacuum Motor and Chassis	2 years
	Bag Housing	5 years

Upright Vacuums Exceptions and Exclusions:

Normal wear items not limited to brushes, foot pedal, cords, clutches, filters, gaskets, hoses, and bearings will be warranted for manufacturing defects for 90 days from the purchase date. All other items are 1 year parts and labor.

All Other Products:

Product	PE Housing & Parts	Non- PE Parts	Service Labor	Travel
Rider / Stand up Scrubbers	10 years	3 years or 2000 hours	3 years or 2000 hours	6 Months
Rider/ Stand-up Vacuum, Burnishers	10 years	3 years or 2000 hours	3 years or 2000 hours	6 Months
Rider Sweepers	10 years	3 years	3 years	6 Months
Walk Behind Scrubbers / Escalator Cleaner	10 years	3 years or 2500 hours	3 years or 2500 hours	6 Months
Walk Behind Sweepers	10 years	3 years	3 years	6 Months
Battery Burnishers	10 years	3 years	3 years	6 Months
Extractors / Compass	10 years	3 years	3 years	-
Polishers / Elec. Burnishers / GH / iCapsol Mini	10 years	3 years	3 years	-
Wide Areas Vacuums	10 years	3 years	3 years	-
VacPac Vacuums / Recover 18	10 years	1 year	1 year	-
Saber Blade 12/16	3 years	3 years	3 years	-
Air Movers / Dri-matic / Priza	1 year	1 year	1 year	-
Canister Vacuum / Wet/Dry Vacuum	1 year	1 year	1 year	-
Broom/Steamer	1 year	1 year	1 year	-
Propane Burnishers / Strippers	-	2 years	1 year	-

Windsor reserves the right to change its warranty policy without notice.

86019540 REV 12

North American New Machine Warranty

Effective on all products shipped *AFTER* February 1, 2013

Bold Innovation. Expert Results.

Product exceptions and Exclusions:

- Extractor brush motors, **ALL** pump motors, **ALL** PC boards and electronics, **ALL** Vacuum motors, **ALL** pumps, and diaphragms/Tank bags carry a one (1) year parts and service labor warranty.
- The Eagle-Robin® engines have three (3) year manufacturer's warranty. The Honda® and Kawasaki® engines have two (2) year manufacturer's warranty. **NOTE:** The engine warranty is administered through the engine manufacturer and must be repaired at an authorized service center.
- Saber Blade 12/16® tanks have three (3) years coverage (parts and labor).

Normal wear items and accessories including, but not limited to, belts, brushes, carbon brushes, clutches, cords, filters, finishes, gaskets, hoses, light bulbs, squeegees, bearings, actuating cables, tires, and propane tanks will be warranted for manufacturing defects for 90-days from the purchase date.

The warranty commences on the purchase date by the original end user from an authorized Windsor agent, subject to proof of purchase. If proof of purchase cannot be identified, the warranty start date is 90 days after the date of sale to an authorized Windsor distributor. Parts replaced or repaired under warranty are guaranteed for the remainder of the original warranty period.

90 Day Warranty Extension Available

Upon receipt of the Machine Registration, Windsor will extend by 90 days, from the date of purchase, by the original end user, all items included under the one-year provision. This applies only to one-year items and does not include 90-day wear items.

This Warranty Shall Not Apply To:

1. Any product that has been subject to abuse, misuse, neglect or unauthorized alteration (including the use of incompatible or corrosive chemicals or overloading of capacity).
2. Products that have experienced shipping or freight damage.
3. Repairs necessary to correct any failure due to improper pre-delivery service and inspection by the selling dealer.
4. Excessive time for cleaning units in preparation for repair.
5. Any repairs resulting from poor initial service work or improper diagnosis.
6. Tune-up parts such as plugs, plug wires and condensers.
7. Any design alterations performed by an organization not authorized or specified by Windsor.
8. Battery and charger warranties are handled directly with the manufacturer (Trojan / Discover batteries and Lester® chargers).
9. High-pressure washing.
10. Electrical components exposed to moisture.

If difficulty develops during the warranty period, contact the authorized Windsor agent from whom the product was purchased. Windsor Industries may elect to require the return of components to validate a claim. Any defective part to be returned must be shipped freight prepaid to an authorized Windsor Distributor/Service Center or to the Windsor factory.

To insure a valid vacuum warranty, optimal performances, and improved indoor air quality, use genuine **Windsor** filters and bags.

Use Of Parts Not Approved By Windsor Will Void All Warranties

This warranty is valid only for all products Shipped/Sold *AFTER* February 1, 2013. A product sold before that date shall be covered by the limited warranty in effect at the date of sale to the original purchaser.

Windsor reserves the right to change its warranty policy without notice.

Eco Concepts recognized as a "Champion" by the U.S. EPA

December 1, 2008, Miami, FL — Eco Concepts, Inc. received recognition from the U.S. EPA as a Champion in the Design for the Environment Programs Safer Detergents Stewardship Initiative (SDSI). Eco Concepts is a Miami, FL based "Green" cleaning detergent formulator, manufacturer and marketing company.

Through the Safer Detergents Stewardship Initiative (SDSI), EPA's Design for the Environment (Dfe) Program recognizes environmental leaders who voluntarily commit to the use of safer surfactants. Safer surfactants are surfactants that break down quickly to non-polluting compounds and help protect aquatic life in both fresh and salt water.

Champion is the highest level of recognition offered under SDSI. As a SDSI Champion, Eco Concepts was invited to the SDSI Awards Ceremony which took place on November 19, 2008 at 2:00 p.m. in Washington D.C. at the Ronald Reagan Building and International Trade Center.

Chemical manufacturers, product formulators, retailers, distributors, institutional purchasers, trade associations and other various industry entities attended the Recognition Ceremony. The Ceremony included a Presentation of the Colors, National Anthem, remarks by Stephen L. Johnson, Administrator for the EPA, Charles M. Auer, Director of the Office of Pollution Prevention and Toxins, James B. Gulliford, Assistant Administrator of the Office of Prevention, Pesticides, and Toxic Substances, Benjamin Grumbles, Assistant Administrator of the Office of Water, a Presentation of the Award, and was followed by a Reception.

Notably, Eco Concepts' flagship brand of Green Concepts products have been developed in a partnership with the U.S. Environmental Protection Agency, carry Green Seal certification, are registered with Canada's Environmental Choice Program, have Carpet & Rug Institute certification, Kosher approval and are available for sale in the institutional, industrial, commercial, and consumer markets as well as to the Federal Government under the authority of the U.S. General Services Administration.

At the SDSI Awards Ceremony Eco Concepts President, Gil Oren, stated, "This is a proud day. I applaud the U.S. EPA for encouraging and recognizing entities committed to formulating products that are less stressful to the environment. The SDSI Champion Award is a tribute to our Safe and Superior New Product Standard, a guideline used in our research and development of products that honor the environment, personal health and wellness, and the natural ecological balance. We greatly appreciate our partnership with the EPA and we look forward to many more years of working together to protect our planet."

For more information about the Design for the Environment Program's Safer Detergents Stewardship Initiative (SDSI) see <http://www.epa.gov/clfeipubs/projects/formulatisdsi.htm>

SAFER and SUPERIOR

ECO CONCEPTS, INC.'S

Safer and Superior New Product Standard

We at Eco Concepts understand and embrace that the cleaning industry has a desire for products that are safer for users and less stressful to the environment. To this end, Eco Concepts adheres to a Safer & Superior New Product Standard that each potential new Eco Concepts product must meet prior to being incorporated into the line. The four categories below are interrelated and have an impact on one another in doing an overall analysis of the viability of a potential new Eco Concepts' product. This standard is intended to ensure that companies do not need to lose in performance and cost when switching to safer and more environmentally friendly products:

1

Safer for the Environment - This is our mission.

- **Readily Biodegradable** - Every ingredient we use must be readily biodegradable. This is the industry's highest standard.
- **Low aquatic toxicity** - Low fish and marine life toxicity. We protect the Earth's water.
- **Renewable resources** - Every ingredient we use must be renewable in the future to protect future generations.
- **Concentrated products** - Reduces wasted packaging and fuel.

2

Safer for Human Contact - Our most important criteria.

- **Low to No Volatile Organic Compounds (VOCs)** - Most of our products have no VOC content. The only VOCs that Eco Concepts uses are materials that are commonly in our diets.
- **Low Toxicity** - We use only materials that are classified as non-toxic by common industry and government standards.
- **Safer Ingredients** - For example, we dye many of our products for safer user identification, but we ONLY use dyes that are approved by the FDA for human consumption.

3

Superior Performance - You want safety, but you must have top performance.

- **Cleaning Performance** - Our products are tested for cleaning performance against the best in the industry and meet or exceed their performance.
- **Controlled Cleaning** - We do not take the corrosive, sledgehammer approach to cleaning that our competitors prefer. We clean the soil without damaging your valuable properties.

4

Superior Savings - With Eco Concepts, of course, you can have it all.

- **Product Cost** - Our use costs are competitive with all competition. ("In Use" cost is the cost per gallon of "ready to use" solution after diluting the concentrated product with water).
- **Liability Cost** - The safety of our products reduces your liability both present and future.
- **Labor Cost** - When people feel good about the products that they are using, lost time goes down and productivity goes up.

Bio Gel Graffiti Remover

Removedor de Grafiti de Gel de Bio

Formulated using bio based solvents that are safe alternatives to highly flammable, toxic or petroleum hydrocarbon solvents, or corrosive chemicals. This product is a ready to use, non-toxic, VOC compliant, biodegradable product specifically designed to remove the most difficult marks and stains from many surfaces. This soy and corn bio-based graffiti remover is formulated using a gel technology that allows the product to cling to vertical surfaces to enhance performance and minimize water run off. Can be used on all types of metals, glass, cement, concrete, porcelain, stone, tile, desk tops and most baked on enamel surfaces.

ENVIRONMENTALLY RESPONSIBLE COMPARISON

Traditional Products	elements
Chlorinated solvents (i.e. methylene chloride tetrachloroethylene)	Ethyl lactate
Nonylphenol ethoxylates	Linear Alcohol Ethoxylate*
2-Butoxyethanol, Ethylene glycol monobutyl ether	Propylene glycol phenol ether
n-Methylpyrrolidone (NMP)	Methyl soyate
Aromatic solvents (i.e. toluene, xylene, ethyl benzene)	None
Benzyl alcohol	None
Acetone	None
Potassium hydroxide	None
Traditional Compound Descriptions:	elements Compound Descriptions:
<p>Chlorinated solvents – strong nonflammable solvents. However, California Prop 65 listed as chemical known to cause cancer.</p> <p>Nonylphenol ethoxylates – a non-ionic surfactant that is used to provide wetting and detergency. However, it is derived from a petroleum-based product. It has a suspected harmful biodegradable intermediate.</p> <p>2-Butoxyethanol – effective water-soluble solvent to attack both water-soluble and water-insoluble inks and paints. However, it is a potential nose and eye irritant and may cause blood cell, liver or kidney damage if absorbed through skin.</p> <p>n-Methylpyrrolidone – strong solvent. However, California Prop 65 listed as chemical known to cause reproductive toxicity.</p> <p>Aromatic solvents – flammable solvents. However, considered of high concern of chronic toxicity to fish by EPA PBT Profiler1. Toluene is California Prop 65 listed as a chemical known to cause reproductive toxicity. Ethylbenzene is California Prop 65 listed as a chemical known to cause cancer.</p> <p>Benzyl alcohol – respiratory, eye and skin irritant earning a "do not use" recommendation on the Janitorial Products Pollution Prevention list.</p> <p>Acetone – strong solvent. However highly flammable, dangerous to use.</p> <p>Potassium hydroxide – corrosive to skin and eyes. Should not be freely released into the environment.</p> <p>The U.S. Environmental Protection Agency (EPA) Persistent Bioaccumulative Toxin (PBT) Profiler – ecological and human health hazard screening tool.</p>	<p>Linear Alcohol Ethoxylate* - listed as Positive Environmental Profile surfactant on EPA design for the Environment Formulator Initiative. A non-ionic surfactant made from linear primary alcohol that biodegrades readily to compounds with low toxicity.</p> <p>Ethyl lactate – biobased, low toxicity, readily biodegradable.</p> <p>Methyl Soyate - biobased, low toxicity, readily biodegradable.</p> <p>Propylene glycol phenol ether – low toxicity, readily biodegradable.</p>

PRODUCT SPECIFICATIONS

Dilution:	Ready to Use	Viscosity:	Semi-gel
Rinsability:	Good- Excellent	Biodegradability:	Complete
Biodegradability:	Complete	Flash Point (TCC):	127° F
Color:	Amber	Storage/Stability:	1 year
Odor:	Characteristic odor	VOC Content (w/w)	< 30%
pH:	N/A	Weight Per Gallon:	8.18 lbs./gal.
		Freeze/Thaw Stability:	Keep from freezing

SECTION 1-PRODUCT IDENTIFICATION AND SUPPLIER INFORMATION

Manufacturer's Name: Misco Products Corporation	Product Name: Graffiti Remover	Supplier's Name:
Manufacturer's Address: 1048 Stinson Drive Reading, PA 19605	Generic Name: Graffiti Remover	Supplier's Address:
Manufacturer's Phone #: (610) 926-4106	Chemical Family: Solvent/Detergent Blend	Supplier's Phone #:
	Formula: Proprietary	

SECTION 2-HAZARDOUS INGREDIENT INFORMATION

CHEMICAL NAME	CAS NO.	WT. %	PEL	TWA-TLV	STEL-TLV
Propylene Glycol phenyl Ether	770-35-4	5 to 10			
Ethyl Lactate	687-47-8	20 to 30			
Mixed Alcohol Ethoxylates	68439-46-3	5 to 10			

Other ingredients in this product are considered non-Hazardous according to OSHA 29.CFR 1910.1200

SECTION 3-PHYSICAL DATA

Boiling Point (°F): 310+ F. Initial	Specific Gravity: 0.950 – 1.000
Vapor Pressure: 2mm Hg @ 68 F.	Vapor Density (Air=1): N/A
% Volatile: 40+	pH: N/A
Solubility in Water: Nil	Evaporation Rate (Water=1): <1
Physical Description: Clear weak gel with characteristic odor.	
VOC Content: 30% by wt.	

SECTION 4-FIRE AND EXPLOSION HAZARD DATA

Flash Point (Method Used): 127° F. (TCC)
Upper Explosion Limit: N/A **Lower Explosion Limit:** N/A
Extinguishing Media: Foam, CO₂, dry chemical.
Special Firefighting Procedures: Do Not Use Water. Handle as oil fire.
Unusual Fire and Explosion Hazards: Drums heated by fire can explode.

SECTION 5-REACTIVITY DATA

Stability: Stable	Hazardous Polymerization: None
Hazards Decomposition Products: Carbon monoxide possible if burned.	Incompatibility (Materials to Avoid): Strong oxidizers and acidic agents.

SECTION 6-STORAGE AND HANDLING INFORMATION

WARNING: Eye irritant. May cause skin irritation with prolonged or repeated contact. Combustible Liquid. Keep away from excessive heat, spark or open flames. Do not smoke while handling. Keep out of reach of children. For use by trained personnel only. Keep container closed during storage. For institutional and industrial use only. Avoid contact with eyes, skin and clothing. Wear rubber gloves and eye protection when handling. Avoid breathing of vapors. Use in well-ventilated area. Empty container may contain explosive or flammable vapors.

SECTION 7-HEALTH HAZARDS AND FIRST AID

Effects of Overexposure:

Skin: Prolonged or repeated contact may cause irritation, defatting, or dermatitis.
Eyes: Eye irritant. May cause redness, swelling, or blurred vision.
Inhalation: May be irritating to the nose, throat, and lungs. Large amounts can cause headache, nausea, dizziness, weakness, and fatigue.
Ingestion: Can cause irritation of the gastrointestinal tract, nausea, vomiting, and diarrhea. Aspiration of material into the lungs can cause pneumonitis.

First Aid Procedures:

Skin: Remove contaminated clothing. Wash with soap and water. Seek medical attention if irritation persists.
Eyes: Flush with large quantities of water, holding eyelids open. Seek medical attention.
Inhalation: Get to fresh air. If breathing is difficult, give oxygen. Seek medical attention if symptoms persist.
Ingestion: Do not induce vomiting. Seek medical attention immediately.

SECTION 8-SPECIAL PROTECTION INFORMATION

Respiratory Protection: Use with adequate ventilation. Use NIOSH approved Hydrocarbon (Organic vapor) canister respirator when using in confined areas.
Ventilation Requirements: Provide explosion-proof ventilation to keep TLV of Section 2 ingredients below acceptable limit.
Protective Gloves: Solvent proof rubber or viton.
Eye Protection: Chemical splash goggles or full-face shield.
Other Protective Equipment: Eyewash station should be nearby. Protective chemical resistant outerwear when conditions exist where body contact is possible.

SECTION 9-SPILL OR LEAK PROCEDURES

Steps to be taken in Case Material is Released or Spilled: Floors will become slippery. Avoid walking in product. Keep unessential personnel away. Mop up or otherwise absorb and hold disposal. Avoid discharge to sewer or open waterways.
Waste Disposal Method: Any method in accordance with local, state and federal laws. Best method is to recycle or reuse for intended purpose. If discarded, this material and containers should be treated as hazardous waste based on the characteristic of ignitability as defined under federal RCRA regulations (40 CFR 261) Consult local authorities for disposal in public sewer. Do not dispose of into storm drain, stream, river or to ground. Rinse container thoroughly before discarding in trash.

SECTION 10-REGULATORY INFORMATION

SARA Title III - Section 311/312 -Hazard Categories:

Yes - Fire Hazard
 No - Sudden Release of Pressure Hazard
 No - Reactivity Hazard
 Yes - Immediate (acute) Health Hazard
 No - Delayed (chronic) Health Hazard

AUTHORIZED REPRESENTATIVE

S U S A N	TEXAS COMPTROLLER of PUBLIC ACCOUNTS P.O. Box 13186 • AUSTIN, TX 78711-3186
C O M B S	

The Texas Comptroller of Public Accounts (CPA) administers the Statewide Historically Underutilized Business (HUB) Program for the State of Texas, which includes certifying minority and woman-owned businesses as HUBs and is designed to facilitate the participation of minority and woman-owned businesses in state agency procurement opportunities.

We are pleased to inform you that your application for certification/re-certification as a HUB has been approved. Your company's profile is listed in the State of Texas HUB Directory and may be viewed online at <http://www.window.state.tx.us/procurement/cmb/hubonly.html>. Provided that your company continues to meet HUB eligibility requirements, the enclosed HUB certificate is valid for four years.

You must notify the HUB Program in writing of any changes affecting your company's compliance with the HUB eligibility requirements, including changes in ownership, day-to-day management, control and/or principal place of business. *Note: Any changes made to your company's information may require the HUB Program to re-evaluate your company's eligibility.* As part of the HUB Program's monitoring efforts, you will be sent a HUB Certification Eligibility Affidavit in approximately 24 months. Failure to complete and submit the HUB Certification Eligibility Affidavit, and/or failure to notify us of changes affecting your company's compliance with HUB eligibility requirements, may result in the revocation of your company's certification.

Please reference the enclosed pamphlet for additional resources, such as the state's Centralized Master Bidders List (CMBL), that can increase your chance of doing business with the state.

Thank you for your participation in the HUB Program! If you have any questions, you may contact a HUB Program representative at (512) 463-5872 or toll-free in Texas at (888) 863-5881.

Texas Historically Underutilized Business (HUB) Certificate

Certificate/VID Number:	1742998727800
File/Vendor Number:	026165
Approval Date:	08-AUG-2012
Scheduled Expiration Date:	08-AUG-2016

The Texas Comptroller of Public Accounts (CPA), hereby certifies that

TK SALES

has successfully met the established requirements of the State of Texas Historically Underutilized Business (HUB) Program to be recognized as a HUB. This certificate printed 05-SEP-2012, supersedes any registration and certificate previously issued by the HUB Program. If there are any changes regarding the information (i.e., business structure, ownership, day-to-day management, operational control, business location) provided in the submission of the business' application for registration/certification as a HUB, you must immediately (within 30 days of such changes) notify the HUB Program in writing. The CPA reserves the right to conduct a compliance review at any time to confirm HUB eligibility. HUB certification may be suspended or revoked upon findings of ineligibility.

Paul Gibson, Statewide HUB Program Manager
Texas Procurement and Support Services

Note: In order for State agencies and institutions of higher education (universities) to be credited for utilizing this business as a HUB, they must award payment under the Certificate/VID Number identified above. Agencies and universities are encouraged to validate HUB certification prior to issuing a notice of award by accessing the Internet (<http://www.window.state.tx.us/procurement/cmb/hub.html>) or by contacting the HUB Program at 1-888-863-5881 or 512- 463-5872.
