✏ Edit

Do you have a cost proposal template?

Susan Lightfoot *Oct 22 2019 at 10:27 AM*
Purchasing Solutions Alliance ✺

No, there is no cost proposal template. You can base it on your particular products and pricing model. If you want to submit and % discount off of a published price, write that statement on a separate piece of paper, such as a Microsoft Word document, and upload it for the Cost Proposal.
